

TEMPORARY EASEMENT

Located in NE ¼ SE ¼ of Section 17, T.56N., R.84W.,
Sixth Principal Meridian, Sheridan County, Wyoming

This Temporary Easement is entered into this 14 day of ~~December~~ 2015, by and between John E. Rice & Sons, Inc., a Wyoming Corporation (hereinafter the “**Grantor**”), and the United States of America and its assigns (hereinafter the “**Grantee**”). Grantor does hereby grant and convey, for and in consideration of Fifty Seven Dollars and Fifty Cents (\$57.50), the receipt and sufficiency of which is hereby acknowledged, unto the Grantee, its successors and assigns, a temporary easement and right of way for the installation of underground water lines for a period of twelve (12) months from the date of this easement that will allow the Grantee to utilize the surface of the property as a staging ground for personnel, equipment, construction materials, and other items as determined by the Grantee (the “**Temporary Easement**”). The Temporary Easement shall extend ten (10) feet from the outer boundaries of the easement area encumbered in perpetuity, as depicted and described on Exhibit A, “Legal Description of Property” and Exhibit B, “Survey of Easement Area”, attached hereto and made a part hereof.

The Grantor’s property, upon which the Temporary Easement is situated, is located in the County of Sheridan, State of Wyoming. The acquiring federal agency is the Department of Veteran Affairs (“VA”).

The Temporary Easement is granted subject to the following conditions and provisions:

1. That the Grantor reserves unto itself rights for all purposes across, over, or under the Temporary Easement herein depicted or described; such rights, however, to be exercised in a manner which will not create undue interference with the use and enjoyment by the Grantee of said Temporary Easement, and are not covenanted by the Grantor in another part of this Temporary Deed of Easement.
2. During the twelve (12) month term of this Temporary Easement, Grantor covenants and agrees that no building, structure or other above-ground improvement shall be erected or constructed on the Temporary Easement which would materially interfere with Grantee’s easement. The present grade or ground level of the property depicted and described in the Temporary Easement shall not be changed by excavation or filling that would materially interfere with Grantee’s easement. Any construction by the Grantor in connection with the rights so reserved shall be at the expense of the Grantor.
3. The Grantee shall replace, repair, restore, or relocate any property of the Grantor affected or damaged directly or indirectly by the construction, reconstruction, installation, operation, maintenance, and replacement of said facilities. Grantee shall reclaim and restore any of Grantor’s property disturbed by Grantee. The reclamation shall be

completed within twelve (12) months after the disturbance, unless extended to a later date by agreement of the Grantor.

4. The easement granted herein shall run with land, burden the Temporary Easement area, as more particularly described in Exhibit A and B, attached hereto and incorporated by reference herein.

5. The liability, if any, of the United States of America for injury or loss of property, or personal injury or death shall be governed exclusively by the provisions of the Federal Tort Claims Act.

6. This instrument shall be binding upon Grantor, Grantee, and their respective successors, successors-in-title and assigns. As used herein, the terms Grantor and Grantee shall be deemed to be refer individually and collectively to Grantor, Grantee and their respective successors and successors-in-title and assigns.

7. This easement is granted subject to all rights and restrictions of record.
