XII.

GENERAL CONDITIONS

Each of the conditions and covenants set forth above shall continue and be binding upon Declarants and upon their successors and assigns, and upon each of them, and all parties and persons claiming under them for a period of twenty-five (25) years from the date hereof, and automatically shall be continued thereafter for successive periods of twenty-five (25) years each. It is however, provided, that the owners of not less than sixty (60%) percent of the record fee title owners of lots subject to these covenants, may release all or any part of the land so restricted from any one or more of said restrictions, or may change or modify any one or more of said restrictions by executing and acknowledging an appropriate agreement in writing and filing the same in the Office of the County Clerk for Sheridan County, Wyoming, provided that the same are first approved in writing by the Board of County Commissioners.

XIII.

ENFORCEMENT

The covenants herein set forth shall run with the land and bind the present owners, their successors and assigns, and all parties claiming under them shall be taken to hold, agree, and covenant with the owners of said lots, their successors, assigns, and with each of them, to conform to said restrictions. The

purchase of any lot within Winding Brook Meadows 1st Addition is taken as an assent to be bound by these covenants during the period of ownership and an agreement to pay all assessments, attorneys fees, costs and interests as provided herein. Declarants, or the owner of any of the lots shall have the right to sue for and obtain injunction to prevent the breach of or to enforce observance of the restrictions above set forth, in addition to ordinary legal action for damages. The failure of Declarant or of the owner of any of the other lots hereby restricted to enforce any of the restrictions herein set forth at the time of its violation, shall in no event be a waiver of the right to enforce any subsequent violation. Reasonable attorneys fees shall be recovered as required in any proceeding either to enjoin violation of the Declaration of Protective Covenants or to recover damages resulting from such violation. The violation of these restrictions shall not defeat nor render inviolate the lien of any mortgage or deed of trust made in good faith and for value.

XIV.

ENFORCEMENT BY COUNTY

Any of the covenants, restrictions, or conditions contained herein which may, in the sole discretion of the Board of County Commissioners for Sheridan County, Wyoming, be in the public interest, may, in the sole discretion of the Board of County Commissioners for Sheridan County, Wyoming, be enforced in the same manner and upon the same terms and conditions as any lot owner can seek to enforce the same in any proceeding of law or equity. Reasonable attorneys fees shall be recovered by the County in any proceeding either to enjoin a violation of the Declaration of Protective Covenants or to recover damages resulting from such violation. The purchase of any lot shall be taken as consent to pay costs and fees and the same shall be a

lien on the land.

XV.

SEVERABILITY

Invalidation of any one of these covenants by judgment or Court order shall in no way or manner effect any of the provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned, being the Declarants herein, have hereunto set their hands this 28 day of March, 1979.
