And, It is hereby mutually covenanted and agreed by and between the parties hereto as follows:

(1) That the Right of Way hereby granted is for a sub-surface right for the construction of a water main or conduit and service or auxiliary lines, and the use of the surface of the ground only for manholes, ventilators, etc., and to maintain, repair, replace and operate said conduit, with the right of ingress and egress over said line for said purposes.

(2) That the party of the second part, its successors and assigns, shall save and keep the said parties of the first part harmless from all damage by the construction and maintenance of said conduit; that is to say, that after said conduit is constructed the surface of the ground shall be restored to its natural condition, as far as may be, and that thereafter, in case of repairs or replacements of said conduit any damage done shall be paid by the party of the second part to the party of the first part, its successors and assigns.

(3) The party of the first part shall have the undisturbed use of the surface of the ground except as herein provided.

(4) The party of the first part shall not erect or place any buildings or plant trees on said right of way.

(5) That in constructing, maintaining, repairing, replacing and operating the said conduit the party of the second part may use, occupy and drive over the land hereby granted or otherwise use the same for the purposes herein stated.

(6) In case the party of the second part, its successors or assigns, shall abandon the right of way herein granted and cease to use the same for the purpose and under the conditions herein set forth, for a period of five years, all right, title and interest thereunder of the said party of the second part, its successors or assigns, shall cease and terminate, and shall thereupon revert to the party of the first part, its successors and assigns.
