

666599 AMENDED EASEMENT
BOOK 515 PAGE 0435
RECORDED 04/14/2010 AT 03:55 PM
EDA S. THOMPSON, SHERIDAN COUNTY CLERK

PARTIAL VACATION/AMENDMENT AND GRANT OF EASEMENT

DSB Investments, Inc., a Wyoming corporation (herein "DSB") and Stephen J. Miller and Sarah M. Miller, husband and wife (herein "Millers") and collectively referred to herein as Grantors, in consideration of the sum of Ten and NO/100 Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby acknowledged, do hereby partially vacate and amend and grant an access and utility easement across that Sixty Foot (60') wide strip of land more specifically described hereinafter for the following purposes and with the following intent.

1. DSB originally granted a right of access and utilities in that that GRANT OF EASEMENT recorded in Book _____ at Page _____ in the Sheridan County Clerk's office, which is also illustrated in that map attached hereto as **Exhibit A** and labelled thereon as the "ex[isting] easement" (referred to herein the "Original Easement").
2. The land encumbered by the Original Easement is owned of record by DSB.
3. The land adjacent to the Original Easement route is known as Tract 23 of Bozeman Trail Ranches and is owned of record by the Millers.
4. The road was actually constructed after the Original Easement was granted, and due to topography and construction conditions, the roadway was constructed partially within the Original Easement and partially outside of the Original Easement and on Tract 23.
5. The Original Easement included a right to amend the location of the easement of record after the construction of the roadway.
6. With the intent and purpose of correcting the easement route to follow the roadway as now actually constructed, DSB and the Millers collectively as Grantors as their interests may appear of record, do hereby vacate/amend that portion of the Original Easement that is not in line with the actual roadway and re-grant the easement as follows along the newly surveyed roadway as constructed (referred to herein as the New Easement and as labelled and illustrated on Exhibit A as the "New Easement"), and is more specifically described in **Exhibit B**, attached hereto.

Grantors, as their interests appear of record, do hereby grant this easement to and for the benefit of all that real property more specifically described in Exhibit B attached to the Original Easement, which is referred to as the Dominant Parcel. Each portion, parcel and tract within said Dominant Parcel is expressly benefited by this Easement, which shall run with the land. This Easement is intended to provide the unfettered right of ingress and egress and utility corridor over, across and under the Easement Route for nonexclusive access and the right of installation, maintenance, repair and replacement of utilities (including but not limited to power, phone, cable, fiber optic, water, sewer and any other such utilities) to and for the benefit of that property described in said Exhibit B, and each and every portion, parcel and tract thereof. This Easement shall benefit and burden each portion of the above-described property, without risk or claim of merger. The record owner of the Easement Route shall bear no liability to any person or entity using the Easement Route.

RECORDED 06/18/2008 AT 10:20 AM
AUDREY KOLTISKA, SHERIDAN COUNTY CLERK

GRANT OF EASEMENT

DSB Investments, Inc., a Wyoming corporation (herein "DSB"), in consideration of the sum of Ten and NO/100 Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby acknowledged, does hereby grant an access and utility easement across that Sixty Foot (60') wide strip of land more specifically described on **Exhibit "A"**, attached hereto and incorporated herein (referred to herein as the "Easement Route"), and reserves certain rights therein, as set forth hereinafter:

DSB grants this easement to and for the benefit of all that real property more specifically described in **Exhibit "B"**, attached hereto and incorporated herein, which is referred to herein as the Dominant Parcel. Each portion, parcel and tract within said Dominant Parcel is expressly benefited by this Easement, which shall run with the land. This Easement is intended to provide the unfettered right of ingress and egress and utility corridor over, across and under the Easement Route for nonexclusive access and the right of installation, maintenance, repair and replacement of utilities (including but not limited to power, phone, cable, fiber optic, water, sewer and any other such utilities) to and for the benefit of that property described in said Exhibit B, and each and every portion, parcel and tract thereof. This Easement shall benefit and burden each portion of the above-described property, without risk or claim of merger. The record owner of the Easement Route shall bear no liability to any person or entity using the Easement Route.

The Easement Route is described along that route described and shown on the attached Exhibit A; provided however, DSB, and its successors who are benefitted or burdened by this easement agree that the road within the easement route is not yet constructed and as construction of the road commences, the parties may wish to alter the route and amend the description of record, and should they so agree, the amended route shall be surveyed by a licensed land surveyor, and a specific legal description of the revised centerline of the easement route shall be recorded, together with an Affidavit, within one year from the date hereof.

The record owners of the lands benefitted and burdened by this easement acknowledge that since the roadway is not yet constructed within the Easement Route, the owners of the land described in Exhibit B have the right to construct a road within the Easement Route and the temporary right to use an additional width adjacent to said portion of Easement Route which is reasonably required for the construction of the road but no more than a total width of thirty (30) feet on each side of the easement route. This temporary right for construction purposes shall expire after sixty (60) days from the date Grantee begins construction of the road.

DATED this 17th day of June, 2008.
