

ACCESS AND UTILITY EASEMENT

Bly Dickson, Jr., Douglas O. Lofgren, Nels B. Lofgren, Eric O. Lofgren, Jim Dickson and Gina Dickson Decker (herein "Grantors"), as record owners of certain real property located in Sheridan County, Wyoming, more particularly described as the Easement Route below, and for and in consideration of the sum of Ten and NO/100 Dollars (\$10.00) and other good and valuable consideration the receipt of which is hereby acknowledged, do hereby grant and convey a nonexclusive access and utility easement across that strip of land more specifically described on **Exhibit "A"**, attached hereto and incorporated herein (herein the "Easement Route"), and as further generally shown on that map attached hereto and incorporated herein as **Exhibit "B"**. Grantor further reserves certain rights therein, as set forth hereinafter.

1. Grant of Easement For Benefit of Dominant Parcels. Grantors do grant this nonexclusive easement across said Easement Route to and for the benefit of the Dominant Parcels as shown on Exhibit "B".

2. Intent and Purpose of Easement. Grantors own the Easement Route in its entirety as of this date and it is their intent to grant an access and utility easement for the Dominant Parcel described in Exhibit "B". This Access and Utility Easement is intended to provide the right of ingress and egress and utility access over and across the road commonly known as "Sawmill Road" along that portion described herein as the Easement Route for unfettered nonexclusive access and the installation, maintenance, repair and replacement of utilities to and for the benefit of the land described in Exhibit "B" and each and every portion thereof.

3. Reservation of Rights. Grantors grant and reserve the right to further grant, assign or otherwise convey additional easements and/or the right of utility installation, maintenance and repair in, over, along and across said Easement Route to any person or entity other than those who benefit from this instrument for its purposes and needs.

4. No Liability; Maintenance/Repairs. Grantors shall bear no responsibility or liability to any person or entity using the Easement Route, or the roadway or utilities therein. The Easement Route may be maintained and repaired at the election of the adjacent land owners but may not be fenced or gated as to obstruct ingress or egress. This easement shall run with the land.
