The designation may be changed from time to time by a written instrument filed with the Association.
 2. Class B Members. The only Class B member shall be Whitney Benefits, Inc. which shall be allocated ten (10) votes for each Lot owned by it.

ARTICLE V

- B. Insurance. The Association shall maintain such insurance coverage, as a Common Expense, as it in its sole discretion shall determine from time to time.
- C. Delegation. The Association may from time to time enter into such management agreements or arrangements with such persons, firms, or corporations as it shall so elect to perform the duties of the Association and shall pay such compensation for such services as it, in its sole discretion, shall so determine. Such compensation shall be a Common Expense.

ARTICLE VI**ASSESSMENT FOR COMMON EXPENSES**

- A. **Personal Obligation of Owners for Assessments.** Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay the assessments imposed by the Association to meet the Common Expenses attributable to the Common Area and the Property. Assessments for the Common Expenses shall be due monthly or at such other intervals as may be set by the Association from time to time. The Association shall prepare and deliver by mail to each member at such intervals as may be set by the Association from time to time, a statement for the Common Expenses.
- B. **Amount of Assessments.** Assessments made for the Common Expenses shall be based on the cash requirements deemed to be the aggregate sum the Association shall, from time to time, determine is to be paid by the Owners of Lots, to provide for payment of all expenses growing out of or connected with the maintenance or operation of the Common Area, which sum may include, among other things, Common Expenses, expenses for management, taxes and special assessments, casualty and public liability and other insurance premiums, landscaping and care of grounds, common lighting, repairs, construction of improvements, renovations, wages, water charges, legal and accounting fees, management fees, expenses and liabilities incurred by the Association under or by reason of this Declaration, the payment of any deficit remaining from a previous period, and the creation of a reasonable contingency or other reserve, sinking, or surplus fund, as well as other costs and expenses related to the Common Area. Assessments by Lot Schedule A.
- C. **Notice of Assessments.** The Board of Directors of the Association shall fix the amount of the assessment to be made against each Owner of a Lot at least thirty (30) days in advance of the assessment period. The due date shall be established by the Board of Directors and set forth in the notice of the assessment.
- D. **Destruction of Common Areas.** If the Common Area or a portion thereof is destroyed by fire or other casualty, the Association may replace or repair the Common Area if the Association determines that such replacement or repair is, in the best interest of the Owners of the Property. The cost of such repair or replacement shall be a Common Expense that may be assessed against each Owner as defined herein.

ARTICLE VII**LIEN FOR NONPAYMENT OF ASSESSMENTS**

- A. **Effect of Nonpayment of Assessments.** Each Owner of each Lot shall be allocated a percentage of the Common Expenses as shown on attached Schedule 1. Each Owner of a Lot shall pay the Owner's proportionate share of the Common Expenses and expenses of administration, maintenance, and repair of the Common Area and any other expenses set forth in this Declaration, or lawfully assessed by the Association. Payment thereof shall be in such amounts and at such times as may be determined by the Association. If any Owner shall fail or refuse to make any such payments of the Common Expenses when due, the amount

thereof, including late charges and interest, shall constitute a lien against the Lot of the Owner, together with the Owner's membership in the Association, and upon the recording of notice thereof by the Association, such liens shall be constituted upon such Owner's interest in said Lot prior to all other liens and encumbrances, recorded or unrecorded, except only (a) taxes, special assessments, and special taxes theretofore or thereafter levied by any political subdivision or municipal corporation of this state, and other state or federal taxes which by law are a lien on the interest of such Owner prior to pre-existing recorded encumbrances thereon and (b) all sums unpaid on a first mortgage recorded prior to the arising of such lien.

- B. Evidence of Lien. To evidence such lien for unpaid assessments, the Association shall prepare a written notice setting forth the amount, the name of the Owner of the Lot, and a description of the Lot. Such notice shall be signed on behalf of the Association by an officer of the Association and shall be recorded in the office of the County Clerk of Sheridan County, Wyoming. The Association may enforce the lien against the defaulting Owner's Lot in like manner as mortgages on real property. The lien provided herein shall be in favor of the Association. In any such foreclosure, the Owner shall be liable for and required to pay all the costs and expenses of such proceedings; the costs, expenses, and attorney's fees which preceded the filing of such proceeding; and the costs, expenses and attorney's fees for filing the notice of claim of lien; and all reasonable attorney's fees incurred in connection with such foreclosure and collection of all such unpaid amounts, including late charges and interest. These amounts shall constitute a lien on the Lot of the Owner, together with the Owner's membership in the Association, and shall have the same priority, and shall be documented, evidenced, attached, enforced and accompanied by the same benefits as the lien for non-payment of assessments herein described. The Owner shall also be required to pay to the Association all assessments during the period of a foreclosure, and the Association shall be entitled to the appointment of a receiver to collect the same. The Association shall have the power to bid on the Lot at foreclosure sale and to acquire, hold, lease, mortgage, and convey the same. The Association shall send to each first mortgagee a copy of the notice of lien provided for herein. Any encumbrancer holding a lien on a Lot may, but shall not be required to, pay any unpaid Common Expenses payable with respect thereto; and upon such payment, such encumbrancer shall have a lien on such Lot for the amounts paid of the same rank as the lien of his or its encumbrance.

ARTICLE VIII

OWNER'S OBLIGATION FOR PAYMENT OF ASSESSMENTS

- A. Personal Obligation to Pay Assessments. The amount of expenses assessed by the Association against each Owner shall be the personal and individual debt of the Owner at the time the assessment is made. Suit to recover a money judgment for unpaid Common Expenses shall be maintainable without foreclosing or waiving the lien securing the same. No Owner may exempt himself or itself from liability for his or its contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Area or by abandonment of the Lot of the Owner.
- B. Liability of Successor. All successors in interest to the fee simple title to a Lot shall be jointly and severally liable with the prior Owner of the Lot for all unpaid assessments, interest, late charges, costs, expenses and attorney fees against such Lot without prejudice to such

successor's right to recover from any prior Owner any amounts paid thereon by such successor.

- C. Statement of Status of Assessments. Upon written request, any prospective purchaser or mortgagee of a Lot shall be entitled to a statement from the Association setting forth (1) the amount of any unpaid assessments, interest, late charges, costs, expenses and attorney fees then existing against the Lot, and (2) the amount of current installment of the assessment and the date the next installment is due and payable. Unless a response to the request is sent by the Association within 20 days after the Association receives the request, then the prospective purchaser shall not be liable for, nor shall the Lot, if conveyed to the prospective purchaser or mortgaged to the prospective mortgagee, be subject to a lien for any unpaid assessments against the Lot.

Owner shall pick up animal droppings left by any animal kept on Owner's Lot and dispose of the same in a proper receptacle. The Association may assess a charge for liquidated damages against any Owner who violates this provision regarding disposal of animal waste. The charge shall be \$50.00 for the first violation and \$100.00 for any subsequent violation. Any such charge is due to the Association upon Owner's receipt of notice that the charge is due. Any charge unpaid when due shall become a lien against the Owner's Lot, and the Association shall have the right to collect the charge or enforce the lien in the same manner as other assessments.

H. Clothes Lines. No exterior clothes line shall be maintained on any Lot.

I. Exterior Antennae. No outside radio or television antennae or satellite dishes shall be permitted on any Lot unless approved in writing by the ACC in its sole discretion, except as otherwise may be provided by State or Federal law.

ARCHITECTURAL REVIEW

A. Architectural Control Committee. There shall be created a committee called the Architectural Control Committee ("ACC"). No building or improvement shall be erected, placed, or altered on any Lot until construction plans and specifications, including, without limitation, exterior colors for surfaces, plot plan and configuration, and size and square footage of improvements, have been submitted to and have been approved by the ACC, in its sole discretion, as to quality of workmanship and materials, harmony of design with surrounding structures, and the design concept of Whitney Plaza, exterior colors, location with respect to topography and grade, and compliance with these covenants.

B. Pre-design Conference. Prior to submitting preliminary plans for any proposed improvement the Owner or Owner's designated representative shall meet with the ACC or its designee in a pre-design conference to discuss proposed building plans and to obtain guidance prior to initiating preliminary design.

C. Preliminary Design Submittal. After the pre-design conference, the Owner shall then submit the following documents to the ACC:

1. A site plan (scale 1" = 10' or 1/8" = 1'0") showing the entire property, the location of the proposed structure and proposed finished floor elevations.
2. Floor plans (scale 1/4" or 1/8" = 1'0") showing proposed finish floor elevations.
3. All exterior elevations (scale 1/4" or 1/8" = 1'0") showing both existing and proposed grade lines, plate heights, ridge heights, roof pitch, and a preliminary indication of all exterior materials and colors.

4. If a business, commercial or retail use is proposed for a Lot where such uses are permitted, a description of the nature and type of such use.
5. Any other drawings, materials, or samples requested by the ACC.
6. A nonrefundable design review fee of \$350.00 must accompany the initial submittal. This fee will be used to partially cover the costs of compensation of any professional retained to advise and assist the ACC in reviewing the proposal. Additional fees may be charged for changes to a proposed plan or for changes or additions to an existing structure, landscape plan or the late or incomplete submittal of plans. The ACC will establish charges for changes.
7. The submittal shall consist of two (2) sets of prints, one (1) of which will be retained by the ACC.
8. After review of the preliminary design submittal, the ACC shall advise the Owner of whether it approves or disapproves of the preliminary design submittal, and, if the submittal is approved, advise the Owner of any special issues the Owner needs to address in the final design submittal.

D. Final Design Submittal. After preliminary approval is obtained from the ACC, two (2) sets of the following final design documents and prints shall be submitted by Owner for final review by the ACC, one of which will be retained by the ACC:

1. A letter responding to all itemized conditions presented by the ACC from the Preliminary Review.
2. A Site Plan (scale 1" = 10' or 1/8" = 1'0") showing the entire property, adjacent roadways, the location of the building and improvement, driveways, parking areas, existing and proposed topography, finished floor elevations, any protected plants or special terrain features to be preserved, trees to be removed, all utility sources and connections, sited walls, building setbacks and the location of any retaining structures.
3. Standard Proctor testing will be conducted and a soils investigation report (minimum of two (2)) borings for Lots 1 through 8 Block 1, and a minimum of one (1) for all lots in Block 2) will be submitted.
4. Floor plans (scale 1/4" = 1'0") fully dimensioned showing finished floor elevations relative to existing and final grades.
5. Roof plan (scale 1/4" = 1'0") showing all roof pitches and drainage devices.
6. Building sections (scale 1/4" = 1'0" or larger) indicating existing and proposed grade lines.
7. All exterior elevations (scale 1/4" = 1'0") showing both existing and proposed grade lines, plate heights, roof pitch, exterior materials, trim components, gutters and downspouts as well as any anticipated changes in color.

8. Paint chips or stains indicating actual exterior material surface and any literature as requested by the ACC depicting or further describing all exterior materials.
9. Foundation plan that responds to the soils report and framing plan and associated details.
10. Exterior lighting plan and fixture "cut sheets."
11. A preliminary construction schedule for construction. This schedule shall be in a graph format and highlight critical milestones, i.e., excavation, framing, roofing, interior work, substantial completion and landscaping.
12. Landscape plan including plant material and lawns, decks, patios, ponds, driveways, sidewalks, lighting, and drainage.
13. Such other documents as were required by the ACC after the preliminary design review.

E. Final Design Review. After review of the submittal, the ACC will advise the Owner in writing of the ACC's decision on the submittal. In the event the Architectural Control Committee or its designated representative fails to approve or disapprove within thirty (30) days after the final design documents have been submitted to it, the plans and specifications will be deemed to be approved; provided, however, that such approval will only be deemed to have occurred with regard to matters sufficiently and specifically described in plans and specifications which are actually received by the Architectural Control Committee.

F. Construction Requirements. Upon approval of the final design submittal by the ACC and after complying with all requirements of the City of Sheridan, the Owner shall commence construction of any work pursuant to the approved plans within one year from the date of such approval. All work must be done in strict accordance with the approved plans. All buildings and improvements shall be constructed in accordance with the plans and specifications approved by the ACC. Any changes to approved plans and specifications shall require resubmission to, and approval by, the ACC. If Owner fails to commence construction within the one year period, the ACC's approval of the plans shall be revoked unless otherwise agreed to in writing by the ACC. Owner shall complete the construction of any improvement within 18 months after commencing construction unless the ACC has approved in writing an alternative construction schedule. The Association shall have the right to require an Owner to deposit with the Association a deposit of up to \$500.00 when the ACC approves the final plans. This deposit will be held to insure architectural control by the ACC and construction compliance. When construction on Owner's Lot has been completed, the deposit will be refunded if, in the sole judgment of the Association, the Owner has complied with the approved plans and specifications and requirements of these covenants. If the Association, in its sole judgment, determines that Owner has not complied with the approved plans and specifications, then the Association may, in addition to any other remedy available to the Association, expend the deposit to correct any noncompliance and assess Owner for any costs incurred in excess of the deposit.

1. All construction on any Lot shall be done by a contractor who is licensed and bonded. Before commencing construction, the Owner of the Lot shall provide the ACC with a copy of the contract between the Owner, and the contract shall provide the following:

- a. Prior to commencing work, the contractor shall provide ACC with a construction schedule in "bar graph" form indicating the completion date of all phases of the work.
 - b. The contractor shall not impede or delay Whitney Benefits or Whitney Benefits, contractor in the completion of work within Whitney Plaza, and the contractor shall be liable for any delays or damage caused by the contractor to Whitney Benefits, Inc. or owners of adjacent lots.
 - c. The contractor shall be responsible for the repair, replacement and cleanup of any damage done by the contractor to other contractor's work within Whitney Plaza, including, without limitation, damage to access ways or adjacent premises that may be concurrently used by others.
 - d. The contractor shall confine its operations and storage within the Owner's Lot or such other space as the contractor may be assigned by the ACC.
 - e. The contractor shall store and confine all trash and surplus construction materials within the Lot and shall clean up trash and debris and promptly remove it from the Lot on a regular basis.
2. The ACC may inspect all work in progress and give notice of noncompliance with the terms of its approval. The ACC's failure to inspect the work or to give notification during the construction period does not constitute approval by the ACC of the work in progress or waive compliance with the approved plans or these covenants.

G. Membership to the Committee. The ACC shall consist of the Board of Directors of the Association.

H. Adoption of Guidelines. The ACC from time to time may formulate and adopt handbooks, guidelines and procedures (which may be altered or amended at any time) consistent with this Declaration for the purpose of clarifying or assisting in the exercise of its duties contemplated by this Declaration. Additionally, the ACC may formulate guidelines and rules regarding the adoption of architectural and construction standards and the regulation of use of Lots on the Property, the contents of which guidelines may not necessarily be reflected by this Declaration. Copies of the adopted guidelines and procedures may be obtained from the ACC upon request and payment of an amount equal to the cost of copying such guidelines and procedures.

I. Non-Waiver. The approval or disapproval by the ACC of any plans, drawings, or specifications for any work or construction done or proposed, or in connection with any other matter requiring the approval of the ACC under this Declaration, shall not be deemed to constitute a waiver of any right to approve or disapprove any similar plan, drawing or specification or matter whenever subsequently or additionally submitted for approval by any Owner.

J. Estoppel Certificate. Within thirty (30) days after written demand therefore is delivered to the ACC by any Owner, and upon payment to the Association of a reasonable fee from time to time to be fixed by the ACC, the ACC shall provide an Owner with an Estoppel certificate executed by any one of its members, certifying with respect to any Lot of said Owner, that as of the date thereof either:

1. All improvements and other work made or done upon or within said Lot by the Owner and all uses then being made of the Lot by the Owner comply with this Declaration, or
- 2.. Such improvements, work, or uses do not so comply, in which event the certificate shall also (i) identify the non-complying improvements, work or uses and (ii) set forth with particularity the cause or causes for such non-compliance.

K. Variances. The ACC may authorize variances from the provisions of this Declaration when circumstances such as hardship, aesthetic, or environmental considerations may require. Such variance must be evidenced by a writing signed by a majority of the ACC. The granting of a variance does not operate to waive any of the terms of the Declaration except as to the particular provision covered by the variance. The ACC shall have the right to condition the variance, including without limitation, making a variance temporary or permanent. The granting of a variance in one instance does not mandate the granting of a variance under similar or related circumstances.

ARTICLE XIII

RESERVED RIGHTS

A. Reserved Whitney Benefits Rights and Additional Reserved Rights. To the maximum extent permitted by law Whitney Benefits reserves the absolute, unilateral right for a period of twenty (20) years after the recording of this Declaration to amend, alter, revise or add to these covenants and this Declaration in any way, in its sole discretion. Whitney Benefits may make revisions, modifications, amendments or additions to this Declaration by signing a document reflecting such revisions, modifications, amendments or additions and filing the same with the County Clerk of Sheridan County, Wyoming. Such revisions, modifications, amendments or additions shall not cause any building, improvement or use that conforms with this Declaration on the date such action is taken to be in violation of this Declaration.

B. Reserved Whitney Benefits Rights Concerning Association. Whitney Benefits reserves the right to designate the directors of the Association until Whitney Benefits files with the Association a written disclaimer of the right to designate directors or until Whitney Benefits. files articles of dissolution with the Wyoming Secretary of State, whichever occurs first.

ARTICLE XIV

ADDITIONAL PROVISIONS

A. Covenants to Run With the Land. This Declaration and these provisions are to run with the land and shall be binding upon all parties and all persons claiming under them for a period of twenty (20) years after the recording of this Declaration, at which time this Declaration and said covenants shall be automatically extended for successive periods of ten (10) years, unless by vote of a majority of the then record Owners of the Lots it is agreed to amend this Declaration and said covenants in whole or in part. Provisions for maintenance of Common Area shall not be permitted to lapse with the other covenants unless other provisions acceptable to the City of Sheridan are

made for the continuation of maintenance. This Declaration may be amended by Whitney Benefits as provided in Article XIII, and, when Whitney Benefits no longer has the right to amend the Declaration, the Declaration may be amended in whole or in part at any time by a duly written and recorded instrument executed by the then record Owners of a majority of the Lots. Notwithstanding any provision to the contrary in this Declaration, until the expiration of twenty (20) years after the recording of this Declaration, any amendment to this Declaration shall require the consent of Whitney Benefits, Inc.

NOTWITHSTANDING ANY PROVISION TO THE CONTRARY IN THIS DECLARATION, THE ASSOCIATION CANNOT BE DISSOLVED WITHOUT THE WRITTEN CONSENT OF THE CITY OF SHERIDAN, WYOMING.

B. Delinquency. Any assessment or other amount due from an Owner as provided for in this Declaration, which is not paid when due, shall be delinquent. With respect to each amount not paid within thirty (30) days after its due date, the Association may, at its election, require the Owner to pay a "late charge" in a sum to be determined by the Association, but not to exceed \$10 or 10 percent of the amount due, whichever is greater, regardless of the number of individual amounts due. If any such amount or assessment is not paid within thirty (30) days after the delinquency date, the assessment or amount shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per year.

C. Association's Performance of Owner's Duties. In the event any Owner fails to comply with the provisions of this Declaration, the Association shall be entitled to, but shall not be obligated to, take whatever lawful actions are necessary to enforce the provisions hereof including performing such duties on behalf of the Owner. If the performance of an Owner's duties by the Association requires the Association or its delegates to enter onto the Lot of an Owner for such purposes, such entry shall be deemed to have occurred with the consent of the Owner and shall not constitute a trespass. The Association shall be entitled to recover all costs, expenses and attorneys' fees incurred by the Association in performing the duties of an Owner. If the Owner fails or refuses to pay the Association for such amounts within 30 days from the date invoiced by the Association, the amounts, including late charges and interest, shall constitute a lien against the Owner's Lot together with the Owner's interest in the Common Area, and shall have the same priority, and shall be documented, evidenced, attached, enforced and accompanied by the same benefits as the lien for non-payment of assessments described in this Declaration.

D. Legal Proceedings. If any Owner violates or attempts to violate any of the covenants or provisions described in this Declaration, it shall be lawful for the Association to prosecute any proceedings at law or in equity against the person or persons violating any such covenant, and either to prevent him or them from so doing or to recover damages or other assessments for such violation. Only the Association has the right to bring a proceeding to enforce these covenants or to collect assessments.

If any Owner, or an Owner's family, invitees, licensees, tenants, or subtenants, violates the terms of this Declaration, such Owner shall be liable to the Association for all costs, expenses and reasonable attorneys' fees incurred by the Association in enforcing the terms of this Declaration, regardless of whether suit is filed by the Association. If the Owner fails or refuses to pay the Association for such amounts within 30 days from the date invoiced by the Association, the amounts, including late charges and interest, shall constitute a lien against the Owner's Lot together with the Owner's membership in the Association, and shall have the same priority, and

shall be documented, evidenced, attached, enforced and accompanied by the same benefits as the lien for non-payment of assessments described in this Declaration.

E. Imposition of Charges and Fees. The Association, through its Board of Directors, may recover reasonable attorney's fees and other legal costs for collection of assessments and other actions to enforce these covenants or the power of the Association, regardless of whether or not suit is initiated.

F. Cumulative Remedies. The liens for unpaid assessments and unpaid amounts due from Owners and the rights to foreclosure and sale described in this Declaration shall be in addition to and not in substitution for any other rights and remedies which the Association and its assigns may have by law, including a suit to recover a money judgment for such unpaid amounts and assessments.

G. Condemnation of Common Area. If at any time, or from time to time, all or any portion of Common Area, or any interest therein, is taken for any public or quasi-public use, under any statute, by right of eminent domain or by private purchase in lieu of eminent domain, any award in condemnation shall be paid to the Association and deposited into its operating fund. No Owner shall be entitled to participate as a party, or otherwise, in any proceedings relating to such condemnation, such rights of participation being herein reserved exclusively to the Association which shall, in its name alone, represent the interests of all Owners.

H. Invalidation. Invalidation of any one of the covenants or provisions in this Declaration by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.

I. LIABILITY TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE COVENANTORS, THE ASSOCIATION, THE ACC, AND THE MANAGERS, DIRECTORS, OFFICERS, OR EMPLOYEES OF THE COVENANTORS, THE ASSOCIATION, AND ACC, SHALL NOT BE LIABLE TO ANY OWNER OR ANY OTHER PERSON FOR ANY ERROR OR OMISSION UNLESS THE PERSON AGAINST WHOM A CLAIM IS ASSERTED HAS PERSONALLY ACTED WITH INTENTIONAL BAD FAITH OR MALICE TOWARD THE PERSON MAKING THE CLAIM. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE COVENANTORS, THE ASSOCIATION, AND THE ACC AND THE MANAGERS, DIRECTORS, OFFICERS, AND EMPLOYEES OF THESE ENTITIES SHALL NOT BE LIABLE OR RESPONSIBLE IN ANY WAY FOR ANY DEFECTS IN PLANS OR SPECIFICATION SUBMITTED NOR FOR ANY STRUCTURAL OR OTHER DEFECTS IN ANY WORK DONE ACCORDING TO SUCH PLANS AND SPECIFICATIONS NOR FOR ERRORS IN THE ON-SITE LOCATION OF ANY CONSTRUCTION. THE COVENANTORS, THE ASSOCIATION AND THE ACC SHALL NOT BE RESPONSIBLE OR LIABLE FOR REVIEWING THE PLANS AND SPECIFICATIONS FOR ENGINEERING OR STRUCTURAL SOUNDNESS OR COMPLIANCE WITH ANY APPLICABLE GOVERNMENTAL REGULATIONS. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE OWNER OF A LOT SHALL NOT HAVE ANY RIGHT TO RECOVER DAMAGES FROM THE COVENANTORS, THE ASSOCIATION, OR THE ACC OR THEIR OFFICERS, DIRECTORS, EMPLOYEES OR AGENTS FOR ANY CLAIM OR CAUSE OF ACTION ARISING OUT OF THE COVENANTS OR THE ASSOCIATION'S ARTICLES OR BYLAWS. THE EXCLUSIVE REMEDY OF EACH SUCH OWNER FOR SUCH CLAIMS SHALL BE A DECLARATION OF THE RIGHTS OF THE PARTIES AND AN ORDER ENJOINING SUCH PERSON OR ENTITY FROM TAKING ACTION INCONSISTENT WITH SUCH DECLARED RIGHTS.
