

EASEMENT

RECORDED NOVEMBER 12, 1993 BK 362 PG 266 NO 153570 RONALD L. DAILEY, COUNTY CLERK

KNOW ALL MEN BY THESE PRESENTS, that we, the undersigned, (whether one or more) PETER KIEWIT & SONS, INC. Peter Kiewit Sons' Co., a Nebraska corporation

do hereby acknowledge, do hereby convey and warrant unto Sheridan Johnson Rural Electrification Association, a Wyoming corporation, whose post office address is Sheridan, Sheridan County, Wyoming, and to its successors or assigns, the right to enter upon the lands hereinafter described, situated in the County of Sheridan, State of Wyoming, and more particularly described as follows, to-wit:

E₁ of the W₁, NWSW, SWSW, Section 24, T57N., R84W., Sheridan County, Wyoming.
NENW, NWNE, Section 25, T57N., R84W., Sheridan County, Wyoming.

See attached Exhibit "A" for an approximate location of centerline and detailed description.

The undersigned hereby relinquish(es), release(s) and waive(s) all rights, distributive shares or homestead interest under and by virtue of the homestead exemption laws of the State of Wyoming, to the extent necessary to permit the Association the free enjoyment of the rights herein conferred; and to place, construct, operate, repair, maintain, relocate and replace thereon and/or construct, maintain, operate, repair, relocate and replace underground an electrical transmission or distribution line or system for the purpose of conveying electricity over, across, through, and under the lands herein above described, together with the rights to excavate and refill ditches and trenches for the location of said line or system, and further to include in addition thereto such rights upon all streets, roads, and highways abutting said land, and to license, permit or otherwise agree to the joint use or occupancy of the line or system by any other person, association, or corporation for electrification or telephone purposes, and the further right to trim, cut, and remove trees, shrubbery, undergrowth, and other obstacles interfering with the location, construction, and maintenance of said line or system.

In granting this easement it is understood that the location of utility poles necessary to span the above described land overhead will be such as to form the least possible interference to farm operations, so long as it does not materially increase the cost of construction.

The undersigned agree(s) that all utility poles, wires, and other facilities, including any main service entrance equipment, installed on the above described lands at the Association's expense shall remain the property of the Association, removable at the option of the Association, upon termination of service to, on, or through said lands.

The undersigned covenant(s) that he (or they) is (or are) the owner(s) of the above described lands and that said lands are free and clear of encumbrances and liens of whatsoever character except those held by the following persons:

It is further understood that whenever necessary, the words used in this instrument in the singular shall be construed to read in the plural and that words used in the masculine gender shall be construed to read in the feminine.

IN WITNESS WHEREOF, the undersigned has (have) his (or their) hand(s) and seal(s) this 13th day of October, A. D., 1993.
