(b) Future Advances. All future advances from Lender to Mortgagor under the Specific Debts executed by Mortgagor in favor of Lender after this Security Instrument. If more than one person signs this Security Instrument, each agrees that this Security Instrument will secure all future advances that are given to Mortgagor either individually or with others who may not sign this Security Instrument. All future advances are secured by this Security Instrument even though all or part may not yet be advanced. All future advances are secured as if made on the date of this Security Instrument. Nothing in this Security Instrument shall constitute a commitment to make additional or future advances in any amount. Any such commitment must be agreed to in a separate writing.

(c) All Debts. All present and future debts from Mortgagor to Lender, even if this Security Instrument is not specifically referenced, or if the future debt is unrelated to or of a different type than this debt. If more than one person signs this Security Instrument, each agrees that it will secure debts incurred either individually or with others who may not sign this Security Instrument. Nothing in this Security Instrument constitutes a commitment to make additional or future loans or advances. Any such commitment must be in writing. This Security Instrument will not secure any debt for which a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. This Security Instrument will not secure any debt for which a security interest is created in "margin stock" and Lender does not obtain a "statement of purpose," as defined and required by federal law governing securities. This Modification will not secure any other debt if Lender, with respect to that other debt, fails to fulfill any necessary requirements or fails to conform to any limitations of the Truth in Lending Act (Regulation Z) or the Real Estate Settlement Procedures Act (Regulation X) that are required for loans secured by the Property.

(d) Sums Advanced. All sums advanced and expenses incurred by Lender under the terms of this Security Instrument.

3. CONTINUATION OF TERMS. Except as specifically amended in this Modification, all of the terms of the Security Instrument shall remain in full force and effect.

SIGNATURES. By signing, Mortgagor agrees to the terms and covenants contained in this Modification. Mortgagor also acknowledges receipt of a copy of this Modification.
