DEDICATION FOR PUBLIC USE

NOW, THEREFORE, for good and valuable consideration, including the mutual promise and covenants contained herein, it is agreed by and among the parties as follows:

1. Grant and Dedication of a 60 ft Utility Easement

Grantor does hereby dedicate for use by public utility providers forever, a 60 ft general utility easement for the installation, maintenance, repair, and replacement of below ground public utilities including but not limited to water and sewer mains, power and gas lines, phone lines and the like, to provide utility services to and for the benefit of the public. 2. Terms of Use

The Public, by and through the City of Sheridan, the State of Wyoming or other political subdivision of the state, shall have the perpetual non-exclusive right to use the easement for the benefit of providers of all public utilities and shall have the perpetual non-exclusive right to use the easement to construct and maintain utilities providing service to the Public.

The utilities placed in said easement by public utility providers shall be limited to below ground utilities unless express permission stating otherwise is authorized through a separate, recorded instrument executed by the Grantor, his successors or assigns.

3. Compensation

The Grantee, upon full execution of this agreement, hereby agrees to compensate the Grantor in the following ways which shall represent full satisfaction of this Agreement:

- a. A one-time payment in the amount of \$10,757.76 as fair satisfaction for the easement dedication, which payment shall be made on or before the date of this agreement.

A formal request must be made by the property owner and approval granted by the City before connection to the City's water system can be made. Connection to the City's water system shall only be made to a distribution lateral and shall not be to the 16" water transmission main to be located within the utility easement hereby being dedicated. This arrangement shall be limited to taps for the

Grantee shall fully restore and replace any and all damage done to any fences cut or otherwise damaged by Grantee in exercising any of the rights granted hereby.

5. Grantor's Use of Easement Area.

Grantor expressly reserves the right to use and enjoy the land covered by this easement for any purposes whatsoever, provided that such use does not interfere with the rights granted to Grantee herein. Grantor may cross the easement area and construct such facilities as water lines, roads, fences, and other improvements which will not unreasonably interfere with Grantee's rights granted.

6. No Warranty.

Grantor makes no warranty of title or otherwise in entering into this Agreement.

7. Indemnity / Release.

a. Grantee shall indemnify, defend, and hold harmless Grantor, its officer, directors, and shareholders from any and all claims, demands, liabilities or causes of action (including without limitation reasonable attorney's fees and expenses and costs of investigation or trial) arising out of Grantee's use of or operations on the premises described herein.

b. To the maximum extent permitted by law, Grantee releases and waives and discharges Grantor, and, if applicable, Grantor's officers, directors, employees, agents, successors and assigns from any and all liabilities for personal injury, death, property damage or otherwise arising out of Grantee's operations under this agreement or use of Grantor's property.
