**CU-16-001**

The Board of County Commissioners ("BOCC") held a public hearing on May 3, 2016, regarding the application of Taylor Crosby ("Applicant") for a Conditional Use Permit ("CUP") pursuant to the Rules and Regulations Governing Zoning, Sheridan County, Wyoming ("Zoning Regulations"). The BOCC received the written Staff Report dated May 3, 2016, heard public comment, and considered written comments.

1. Applicant is requesting a CUP to construct and operate a workshop and studio for a book conservation and binder business.
2. The property for which the CUP is requested consists of approximately 5 acres, lies within the Agricultural zoning district, and is located in the:  
  
SW¼NW¼, Section 16, T54N, R84W.

  - b. That other than office front entrance signage, no new advertising or business signage be permitted on or adjacent to the applicant's property.
  - c. That there shall be no exterior storage of merchandise or supplies relative to the book bindery business.
  - d. That, if the type of occupancy being proposed falls within the scope of the IBC as adopted by Sheridan County the new structure, future structure modifications or additions will require Sheridan County Building permits. Future structure modifications may also require a new CUP.

**THE BOCC HEREBY FINDS AS FOLLOWS:**

4. Applicant properly applied for a CUP, proper notice was published, and hearings were held in accordance with the Zoning Regulations.
5. The proposed use is not currently permitted in the zoning district established by Sheridan County's Zoning Regulations.
6. The proposed use is compatible with existing and permitted uses in the area of the request.
7. The proposed use will not cause significant negative impact to other permitted uses in the area.
8. The location, lighting and signage and the relation of signs to traffic control will not have adverse effects on adjacent properties.
9. The safety and convenience of vehicular and pedestrian circulation and traffic reasonably expected to be generated by the proposed use and other uses reasonable and anticipated in the area considering existing zoning and land uses in the area will not be affected.
10. The proposed conditional use is compatible with the health, safety, and general welfare of the community.

**NOW THEREFORE, THE BOCC HEREBY GRANTS** the CUP to allow the construction and operation of a workshop and studio for a book conservation and binder business with the following conditions:
