Such lien shall be and is subordinate and inferior only to the following: (i) Assessments, liens, and charges in favor of the State of Wyoming and any political subdivision thereof for taxes past due and unpaid on the Lot; and (ii) Amounts due under any mortgage recorded prior to the recordation of any lien assessment as provided in Section 7.03 of this Article VII.

7.03 Assessment Lien.

(a) All amounts payable to the Association, including unpaid assessments, attorney fees, other enforcement and collection costs, and interest thereon at the maximum rate permitted by law, from the date such assessments are due until said assessments are paid (subject to the provisions hereof limiting the interest contracted for, charged or received to the maximum permitted by applicable law), shall constitute a lien on the Lot superior to all other liens and encumbrances, except as provided in Section 7.02 of this Article VII. The Board or its duly appointed agent, may (but shall not be required to) prepare a written notice setting forth the amount of such unpaid indebtedness, the name of Owner and a description of the Lot. Such notice shall be signed by Declarant or the Board or its duly appointed agent and may be recorded in the office of the County Clerk of Sheridan County. Such lien may be enforced by the foreclosure of it upon the Lot by the Declarant or the Board or its duly appointed agent. In any such proceeding, the Owner shall be required to pay the costs, expenses and attorney's fees incurred in connection with filing the lien, and in the event of any foreclosure proceeding all additional costs, expenses and attorney's fees in connection with any such foreclosure proceeding. Declarant or the Board or its duly appointed agent shall have the power to bid on the Lot at foreclosure, or other legal sale, and to acquire and hold, lease, convey or otherwise deal with the same. Any mortgagee holding a lien on the Lot may pay, but shall not be required to pay any unpaid assessments owing with respect to the Lot, but such payment shall not be deemed a waiver of Owner's default by either Declarant, the Board or such mortgagee. Foreclosure may be in any manner authorized by Wyoming law, including through power of sale.

(b) The amount of the assessments assessed against the Lot shall also be a personal obligation or indebtedness of the Owner thereof at the time the assessment is made. Suit to recover a money judgment for unpaid assessments shall be maintainable without foreclosing or waiving the lien securing same.

(c) Owner, by acceptance of the deed to the Property, hereby expressly vests in Declarant, the Board or its agents the right and power to bring all actions against Owner personally for the collection of such charges as a debt, and to enforce the aforesaid liens by all methods available for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by non use of the Common Areas or by abandonment of his Lot.

(d) If any assessment remains unpaid at the expiration of fifteen (15) calendar days from and after the due date established by the Board, a late charge shall be assessed against the nonpaying Owner for each month that any portion of an assessment remains unpaid. The Board shall specify the late charge amount. A reasonable service charge in an amount established by the Board shall be charged for each check that is returned because of insufficient funds. The amount of any such late charge and service charge may be adjusted, from time to time, by the Board.

**7.04 Purpose of Regular and Special Assessments.** The assessments levied by the Association shall be used exclusively for the purposes of (i) promoting the health, recreation, safety and welfare of the residents of the Property; (ii) to ensure all maintenance and repairs of the exterior of the Residential Units and improvements upon a Lot which is hereafter required to be performed by the Owners but which the Owner has failed to do, are completed for the benefit of all Owners and the Property, including, without limitation, painting, staining, and tuck pointing, thereof, at such intervals as shall be prudent as well as maintenance, repair, and replacement of the roof of the Residential Units; (iii) to ensure the performance of all maintenance, improvements, and repair of the grounds and landscaping of the Residential Units situated outside the exterior walls and deck areas thereof; (iv) perform maintenance and repair by the Association of all Common Areas and the payment of taxes on the Common Areas and insurance (if any) in connection with the Common Areas and the repair, replacement and additions thereto; (v) the payment for electricity for street lights and exterior lights and the repair, replacement and additions of various

items within the Common Areas; (vi) trash and garbage collection and security arrangements as may be determined necessary and appropriate by the Association, from time to time; (vii) paying the cost of labor, equipment (including the expense of leasing any equipment) and materials required for, and the management and supervision of, the Common Areas; (viii) carrying out the duties of the Board as set forth in Article VII hereof; (ix) carrying out the various matters set forth or envisioned herein or in any amendment or supplement hereto; and (x) for any matter or thing designated by the County of Sheridan in connection with any zoning, subdivision, platting, building or development requirements.

#### 7.05 Basis and Amount of Maintenance/Repair Assessments.

(a) The Board may establish the maximum annual assessment for each Lot, provided that the maximum annual assessment may not be increased more than twenty percent (20%) above the maximum regular assessment for the previous year unless otherwise approved by the Members of the Association as provided in Section 5.05 of Article V.

(b) After consideration of current maintenance costs and the future needs of the Association, the Board may fix the actual annual assessment at an amount equal to or less than the then existing maximum annual assessment.

(c) Not later than thirty (30) days prior to the beginning of each fiscal year of the Association, the Association shall make available for review by each Member, at the Association's office, during reasonable times, a pro forma operating statement or budget for the upcoming fiscal year, which shall, among other things, estimate the total Common Area expenses to be incurred for such fiscal year. Subject to the provisions of 7.05, the Board shall at that time determine the amount of the regular Maintenance Assessment to be paid by each member, and shall notify the member thereof. Each member shall thereafter pay to the Association his regular Maintenance Assessment in monthly installments. Each such installment shall be due and payable on the date set forth in the written notice sent to the Members.

(d) The Board may establish a time-price differential schedule for the payment of the regular assessment in which the lowest amount is the actual regular base assessment.

7.06 Rights of Sheridan County. Unless otherwise approved by seventy-five percent (75%) of the outstanding votes within each voting class, the Association shall not by act or omission seek to abandon its obligations as established by this Declaration. However, in the event that:

(a) The Association dissolves and the Common Areas shall not be either (i) dedicated to and accepted by an appropriate public agency, authority or utility to be devoted to purposes as nearly as practicable the same as those to which such Common Areas were required to be devoted by the Association, or (ii) conveyed to another organization or entity which assumes all obligations imposed hereunder upon the Association to maintain said Common Areas; or

(b) The Association, its successors or assigns, shall fail or refuse to adequately maintain the appearance and condition of the Common Areas which it is obligated to maintain hereunder; then, in either such event, the County of Sheridan shall have the right, but not the obligation, to assume the duty of performing all such maintenance obligations of the Association at any time after such dissolution, upon giving written notice to the Owners, or at any time after the expiration of twenty one (21) days after receipt by the Association, its successors or assigns, of

written notice specifying in detail the nature and extent of the failure to maintain without such failure being remedied. Upon assuming such maintenance obligations, Sheridan County may collect, when the same become due, all assessments levied by the Association pursuant to the provisions hereof for the purposes of repairing, replacing, maintaining or caring for the Common Areas; and, if necessary, enforce the payment of delinquent assessments in the manner set forth herein. In the alternative, upon assuming such maintenance obligations, Sheridan County may levy an assessment upon each Lot on a pro-rata basis for the cost of such maintenance, notwithstanding any other provisions contained in this Declaration, which assessment shall constitute a lien upon the lot against which each assessment is made. During any period that Sheridan County assumes the obligation to maintain and care for the Common Areas, the Association shall have no obligation or authority with respect to such maintenance. The right and authority of Sheridan County to maintain the Common Areas shall cease and terminate when the Association, its successors or assigns, shall present to Sheridan County reasonable evidence of its willingness and ability to resume maintenance of the Common Areas. In the event Sheridan County assumes the duty of performing the maintenance obligations of the Association as provided herein, then Sheridan County, its agents, representatives and employees, shall have right of access, ingress and egress to and over the Common Areas for the purposes of maintaining, improving and preserving the same, and in no event, and under no circumstances, shall Sheridan County be liable to the Association or any Owner or their respective heirs, devisees, personal representatives, successors or assigns for negligent acts or construction (excluding, however, malfeasance and gross negligence) relating in any manner to maintaining, improving and preserving the Common Areas.

#### **ARTICLE VIII** **CASUALTY AND INSURANCE**

8.01 In the event the Property or any part thereof or any of the Residential Units thereon shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the Owners of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be, as rapidly as reasonably possible to the condition in which such property was immediately prior to such damage or destruction, subject only to the rights and requirements of the Association (which is hereby granted to the Association to authorize and direct such different action as shall be recommended by the Board of Directors and approved by the affirmative vote of members entitled to vote.

8.02 All repair, restoration or rebuilding pursuant to the provisions of this Article shall be carried out under such supervision and direction as the Board of Directors of the Association shall deem appropriate in order to assure the expeditious and correct completion of work concerned, and the Owner or Owners of each Residential Unit which shall have been damaged or destroyed shall fully cooperate with, and abide by all instructions and directions of the Association in connection therewith.

8.03 Without limitation, the Association is hereby given and shall have power to approve the architects, contractors and subcontractors to be employed in connection with such repair, restoration or rebuilding; to approve a single contractor or contractors to perform all various parts of the work to be done upon the Residential Units which shall have been damaged or destroyed by such casualty or other happening.

8.04 In any case in which the Owner or Owners of the Residential Units concerned shall fail to carry out and see to the repair, restoration or rebuilding by the provisions of this Article, and in any case in which more than one contiguous Residential Unit shall be involved the Association is granted the right to carry out and see to the repair, restoration or rebuilding required by the provisions of this Article. In the event of a total loss of the Unit and the owner fails to repair, restore or rebuild the Residential Unit in accordance with Article VIII, the

Association shall have the right to consider the Residential Unit as abandoned. A "total loss" means a loss in which there is more than fifty percent (50%) of the structure damaged or a public official has declared that the structure cannot be rebuilt. The Unit shall not be considered as abandoned until ninety (90) days has elapsed from the date of the total loss of the Unit has been determined and there is no evidence that rebuilding of the Unit has commenced. Once abandonment of the Unit has been declared, the Association shall be deemed to be the owner of the Unit.

8.05 Each Owner shall maintain in force at all times insurance covering the Residential Unit owned by him, consisting of, or providing all the protection afforded by, at least the insurance now generally described as fire, extended coverage, additional extended coverage, vandalism and malicious mischief, to 100% of the full insurable value thereof, with loss payable on the basis of the cost of replacement without deduction for depreciation. A guaranteed replacement cost endorsement is required on each Owner's policy. Each Owner shall also maintain in force such insurance protecting the Association from loss, damage, express or liability resulting directly or indirectly from any act or omission of such Owner or any employer, agent, representative, guest or invitee of such Owner. The insurance companies indicated on the certificates of insurance must be admitted carriers and licensed by the State of Wyoming and acceptable to the Association.

8.06 Liability insurance is required to be maintained by all Owners and shall name the Association as an additional insured with respect to that liability insurance. The limits of liability insurance required to be maintained shall be as determined by the Board. Owner shall be responsible to furnish an appropriate certificate showing the evidence of such insurance to the Association. Certificates evidencing the renewal of each expiring policy of insurance shall be furnished to the Association in each case at least ten (10) days prior to the expiration date of the expiring insurance policy.

PROVIDED FURTHER, the Association has an interest in ensuring that each Unit be adequately insured for the protection of all Owner's property in The Pointe, and the Association shall, therefore, have the right and authority to investigate insurance coverage for each and all Units from one insurance provider. With the approval of the Association members, the Association shall have the right to contract with such an insurance provider for a group-type plan whereby all Units would be insured under the same terms and conditions.

8.07 The Association and its officers, directors, employees, agents and representatives shall have no liability to any Owner for damage or loss of either the Residential Unit of such Owner or any personal property of said Owner. The Owner waives all his rights or subrogation against the Association and its officers, directors, employees, agents, and representatives.

8.08 Whenever the Association shall not be satisfied that any insurance required by this Article is in force, or if about to expire will not be renewed prior to expiration, the Association shall have the right (but shall not be required) to proceed to obtain such insurance or such lessor coverage as it may deem advisable, and the cost thereof shall be due from the Owner of the Residential Unit so insured to the Association forthwith upon demand.

8.09 In the event that the Association finds it possible, from time to time, to effect broader or better coverage at lesser cost, by the obtaining of a blanket policy or policies of insurance upon all the Residential Units in the Property, the Association shall have and is hereby granted power so to do at the election of its Board of Directors; and the Owner of each Residential Unit so covered shall accept and pay a proportionate share of the cost of such insurance, whether by regular assessment or otherwise, in lieu of providing and paying for the

individual policies of insurance hereinabove provided for.

8.10 The Association shall not be responsible for repair, restoration or replacement of any personal property of the Residential Owner or others which, although in or about the Residential Units, shall not be attached thereto so as to form an affixed part thereof.

8.11 The Association may, but shall not be required to obtain and maintain additional insurance as its Board of Directors shall, from time to time, deem prudent with respect to damage to or destruction of the Common Areas or to or of any or all of the Residential Units, or to or of any other tangible or intangible assets owned by the Association or for which the Association may have responsibility from time to time, from any cause, and may also obtain such liability and other kinds of insurance protection against such other matters or happenings as its Board of Directors shall from time to time deem prudent.

8.12 Notwithstanding the foregoing, to the extent required by the terms of any mortgage for value of any part of the Property, the proceeds of any insurance becoming payable on account of any loss of or damage to the part of the Property so mortgaged shall be paid first to such mortgagee to the extent of its interest; provided, however, that such mortgagee shall not apply or seek to apply such proceeds to reduce such mortgage except for any excess of such proceeds over the full cost of such repair or restoration, unless it shall be determined in accordance with the provisions of the Declaration that such loss or damage is not to be repaired or restored.

#### **ARTICLE IX**

#### **PLACEMENT OF PARTY AND OTHER WALLS**

9.01 It is contemplated that each of the Residential Units shall have one or more party walls, each connecting it with one other Residential Units in the building. It is intended that each party wall shall be erected upon the lot line between the Residential Units concerned and that each non-party exterior wall of each Residential Unit shall be erected wholly within such Residential Unit so as not to encroach upon any Common Areas, but it is recognized that errors may occur in the actual placement of said walls during the course of construction. It is further contemplated that certain patios, decks, roofs, and balconies of Residential Units and that certain eaves of Residential Units and certain lighting fixtures on exterior walls as constructed shall encroach on the Common Areas. Whenever any party wall of any Residential Unit shall be found to be not precisely upon the lot line intended and whenever any wall or eave or lighting fixture of any Residential Unit shall be found to encroach (whether by intention or mistake) upon any Common Areas, valid easements for the maintenance of all such encroachments as described herein are hereby established by virtue of the provisions hereof and shall exist for the benefit of such Unit so encroaching so long as the patio, balcony, eave, wall or lighting fixture concerned shall remain standing. Further, and without limitation of the foregoing, the legal description of the Residential Units and any Common Areas concerned may be changed or amended, and the Owner of each parcel concerned shall without further consideration execute and deliver all such conveyances as may be necessary or appropriate, so as to place the lot line concerned directly underneath such party wall or entirely outside such wall in the case of encroachment of any wall upon any Common Areas, or, alternatively, each Owner concerned shall without further consideration execute and deliver all such grants of easement and other and further documents as may be necessary or appropriate in the matter.

## **ARTICLE X** **EASEMENTS**

10.01 Utility Easements. Easements for installation, maintenance, repair and removal of utilities and drainage facilities over, under and across the Property are reserved. Full rights of ingress and egress shall be had by Declarant and any bona fide utility company at all times over the easement areas for the installation, operation, maintenance, repair or removal of any utility together with the right to remove any obstruction that may be placed in such easement that would constitute interference with the use of such easement, or with the use, maintenance, operation or installation of such utility.

10.02 Ingress, Egress and Maintenance by the Association. Full rights of ingress and egress shall be had by the Association at all times over and upon the Common Areas for the purpose of maintaining the Common Areas as set forth herein.

10.03 Police Power Easement. With respect to the Common Areas and streets, easements and rights-of-way within the Property, the County of Sheridan, and all other governmental agencies and authorities shall have full rights of ingress, egress, regress and access for personnel and emergency vehicles for maintenance, police and fire protection, drainage and other lawful police powers designed to promote the health, safety and general welfare of the residents within the Property.

## **ARTICLE XI** **GENERAL PROVISIONS**

11.01 Registration with the Association. In order that Declarant and the Association can properly acquaint every Lot purchaser and every Owner with these Covenants and Restrictions and the day-to-day matters within the Association's jurisdiction, no acquisition of any Lot from Declarant within the Property shall become effective until and unless:

(a) The then-existing "Closing Information Package" has been properly executed by the Association, Declarant and the Purchaser/Transferee; and

(b) All directives by the Association and Declarant have been properly and timely followed.

11.02 Power of Attorney. Each and every Owner hereby makes, constitutes and appoints Declarant as his/her true and lawful attorney-in-fact, coupled with an interest and irrevocable, for him/her and in his/her name, place and stead and for his/her use and benefit, to do the following:

(a) To exercise, do or perform any act, right, power, duty or obligation whatsoever in connection with, arising out of, or relating to any matter whatsoever involving this Declaration and the Property;

(b) To sign, execute, acknowledge, deliver and record any and all instruments which modify, amend, change, enlarge, contract or abandon the terms within this Declaration, or any part hereof, with such clause(s), recital(s), covenant(s), agreement(s) and restriction(s) as Declarant shall deem necessary, proper and expedient under the circumstances and conditions as may be then existing; and

(c) To sign, execute, acknowledge, deliver and record any and all instruments which modify, amend, change, enlarge, contract or abandon the subdivision plat(s) of the Property, or any part thereof, with any

easements and rights-of-way to be therein contained as the Declarant shall deem necessary, proper and expedient under the conditions as may then be existing.

(d) The right, powers, and authority of said attorney-in-fact to exercise any and all of the rights and powers herein granted shall commence and be in full force upon recordation of this Declaration in the Sheridan County Clerk's Office and shall remain in full force and effect thereafter until the fifteenth (15th) anniversary of the recordation of this Declaration.

11.03 Duration. The Covenants and Restrictions of this Declaration shall run with and bind the land subject to this Declaration, and shall inure to the benefit of and be enforceable by the Association and/or the Owners subject to this Declaration, their respective legal representatives, heirs, successors, and assigns. The Covenants and Restrictions shall run perpetually, subject to the rights of the Members to terminate them. Such termination will take the consent of not less than Seventy five percent (75%) of the then Owners of record, agreeing to abolish the Covenants and Restrictions in whole or in part; provided, however, that no such agreements to abolish shall be effective unless made and recorded thirty (30) days in advance of the effective date of such change; and unless written notice of the proposed agreement to abolish is sent to every Owner at least ninety (90) days in advance of any action taken.

11.04 Amendments. Except as provided in Section 11.03 of this Article XI, the Covenants and Restrictions of this Declaration may be amended and/or changed in whole or in part, only with the approval by affirmative vote of not less than seventy five percent (75%) of the votes of the Members of the Association then entitled to vote, evidenced by a document in writing bearing each of their signatures, and duly recorded in the land records of Sheridan County, Wyoming; or by a resolution passed by the majority of the Board evidencing the consent of seventy-five percent (75%) of the votes of the Members, and authorizing the President of the Association to execute such document.

11.05 Enforcement. Enforcement of these Covenants and Restrictions shall be by a proceeding initiated by any Owner, Declarant, any member of the Board, or by the County of Sheridan against any person or persons violating or attempting to violate any Covenant or Restriction contained herein, either to restrain or enjoin violation or to recover damages for the violation, or both, or to enforce any lien created by this instrument. They shall have an election and right, but not an obligation or duty, to enforce these Covenants and Restrictions by a proceeding or proceedings at law or in equity. Notwithstanding any provision to the contrary in this Declaration, Declarant or Association shall not have any duty, obligation, or responsibility to enforce any of these Covenants and Restrictions. Failure by any party to enforce any Covenant or Restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. With respect to any litigation hereunder, the prevailing party shall be entitled to recover reasonable attorney's fees from the non-prevailing party. Further, and with respect to any litigation brought against the Board or any of their members or representatives arising out of any action, failure to act, or performance or non-performance of duties imposed hereby, by the Board or their members or representatives, the Board and/or their members or representatives so sued shall be entitled to recover their reasonable attorneys' fees from the person or entity bringing such action against it or them, the Board or their members or representative shall specifically be adjudicated liable to such claimant.

11.06 Imposition of Violation Fines. In the event that any Owner shall violate any provision of these Covenants, the Bylaws of the Association or rules and regulations adopted by the Board, or an Owner fails to maintain or repair Owner's Unit as directed by the Association and/or Owner fails to cure (or fails to commence and proceed with diligence to completion) the work necessary to cure any violation of the Covenants contained

herein within ten (10) days after receipt of written notice from the Board designating the particular violation, the Board shall have the power and authority to impose upon that person a fine for such violation (the "Violation Fine") not to exceed five hundred dollars (\$500.00). If, after the imposition of the Violation Fine, the violation has not been cured or the person has still not commenced the work necessary to cure such violation, the Board shall have the power and authority, upon ten (10) days written notice, to impose another Violation Fine which shall also not exceed five hundred dollars (\$500.00). There shall be no limit to the number or the aggregate amount of Violation Fines which may be levied against a person for the same violation. The Violation Fines, together with interest at the highest lawful rate per annum and any costs of collection, including attorneys' fees, shall be a continuing lien upon the Lot against which such Violation Fine is made.

11.07 Severability. If anyone of these Covenants or Restrictions is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining Covenants and Restrictions shall not be affected thereby.

11.08 Headings. The headings contained in this Declaration are for reference purposes only and shall not in any way affect the meaning or interpretation of this Declaration.

11.09 Notices to Owners. Any notice required to be given to any Owner under the provisions of this Declaration shall be deemed to have been properly delivered when deposited in the United States mails, postage prepaid, addressed to the last known address of the person who appears as an Owner on the records of the Association at the time of such mailing.

11.10 Proposals of Declarant. The proposals of Declarant, as set forth in various provisions hereinabove, to develop additional parcels of property for residential purposes and/or expand the Common Areas (not only geographically but also in terms of types of amenities available for use) and items of a related nature are mere proposals and expressions of the existing good faith intentions and plans of Declarant and shall not be deemed or construed as promises, solicitations, inducements, contractual commitments or material representations by Declarant upon which any person or entity can or should rely.

11.11 Disputes. Matters of dispute or disagreement between Owners with respect to interpretation or application of the provisions of this Declaration of the Association Bylaws shall be determined by the Board. These respective determinations (absent arbitrary and capricious conduct or gross negligence) shall be final and binding upon all owners.
