

ORDINANCE NO. 2059

AN ORDINANCE annexing a 27.008 ± acre parcel of land situated in the NE1/4 of Section 15, and the NW1/4 of Section 14, all in Township 55 North, Range 84 West, 6th Principal Meridian, Sheridan County, Wyoming, and zoning said parcel as R-3 Residence District.

WHEREAS Woodland Creek Estates LLC, and Robert D. & Roberta C. Blevins are the owners thereof, have petitioned to the City of Sheridan in writing for the annexation of the following described land to the City of Sheridan and have petitioned for the zoning thereof as a R-3 Residence District; and

WHEREAS the Sheridan City Clerk has certified that all petition documents are complete; and

WHEREAS the Planning Commission of the City of Sheridan has recommended to the City Council that said tracts of land be annexed to the City; and that the same be zoned R-3 Residence District; and

WHEREAS the following were conditions of approval:

1. Any future development of the subject property will be limited to a total maximum of 300 units.
2. Prior to being recorded the annexation exhibit should show the subject property being tied to the NE corner of Section 15, T55N, R84W.
3. Prior to any subdivision application for the subject property being reviewed by Planning Commission, any and all flood plain issues must be adequately addressed with a response from either FEMA or the Army Corps of Engineers.
4. Prior to issuing any development plans (i.e. building permit, preliminary plats, replats, etc.) for the said annexation staff must obtain, at a minimum, preliminary hydrology data from the U.S. Army Corps of Engineers. This data must be associated with the current Flood Plain Update Cooperative Agreement that the Corps of Engineers is providing for the City of Sheridan and Sheridan County. The developer and engineering consultant agree to utilize this preliminary data for all drainage studies and development plans for the said annexed area.

WHEREAS the City Council after a public hearing thereon has determined the annexation of said tract, which is adjacent to the City, and the zoning thereof as R-3 Residence District would protect the health, safety, and welfare of the persons and property both within the City and in the area to be annexed; and that the urban development of the area would constitute a natural, geographical, economic and social part of the City, and a logical and feasible addition thereto which could be reasonably furnished with all necessary municipal services; now THEREFORE,
