

EASEMENT

Deed made this 29th day of August, 1994, by and between Peter A.B. Widener, Jr. and Lucy Widener, husband and wife, of Sheridan County, Wyoming, and Peter A.B. Widener, a single person, of Sheridan County, Wyoming, hereinafter referred to as "Grantors", and the UNITED STATES OF AMERICA and SHERIDAN AREA WATER SUPPLY JOINT POWERS BOARD, a joint powers board existing under agreement between the County of Sheridan, Wyoming and the City of Sheridan, Wyoming, hereinafter referred to jointly as "Grantees".

For and in consideration of One and 0/100 Dollars (\$1.00), and other good and valuable consideration, Grantors convey to Grantees an easement and right-of-way across and under the following-described real property, described as:

SEE EXHIBITS "A AND B"

for the purposes of surveying, constructing, installing, inspecting, operating, maintaining, repairing and replacing a pipeline cathodic protection system, together with all appurtenances that may be necessary and convenient for the conveyance of water, together with the right of ingress and egress upon and across the real property of Grantors at reasonable places and routes for the aforesaid purposes. Grantees agree to reshape, reseed and restore all areas disturbed during construction within the easement and right-of-way to a condition as good or better than the original condition, including any and all roads, fencing, cattle troughs and vegetation. Topsoil affected by the construction of the pipeline cathodic protection system shall be stockpiled and utilized to restore the disturbance made during construction.

Grantees agree to have their contractor transport all material excavated from the trench for the pipeline cathodic protection system, but not utilized for backfill purposes, to a site on Grantors' property not further than one-half mile from the location

of excavation. Grantees furthermore agree to have their contractor erect any and all temporary fencing on Grantors' property to allow use of Grantors' lands and facilities. Grantors shall be afforded reasonable access to their lands and facilities throughout the duration of construction of the pipeline cathodic protection system.

This deed of easement shall be binding upon Grantors' heirs and assigns and shall be perpetual so long as the easement is used for the purposes above recited.

In witness whereof Grantors sign this Deed on the date above written.
