Re: Side Yard Variance - 425 West Brundage  
Lot 10, Block 3, Alger Addition

Dear Ms. Turley;

At its April 21, 1994, meeting the Sheridan Board of Adjustment granted your request for variance from side yard requirements in a R1 Zone at 425 West Brundage. The variance allows a side yard of .7 feet for a detached garage on the east property line.

Sincerely yours,
