Nothing in this Security Instrument constitutes a commitment to make additional or future loans or advances. Any such commitment must be in writing. This Security Instrument will not secure any debt for which a non-possessory, non-purchase money security interest is created in "household goods" in connection with a "consumer loan," as those terms are defined by federal law governing unfair and deceptive credit practices. This Security Instrument will not secure any debt for which a security interest is created in "margin stock" and Lender does not obtain a "statement of purpose," as defined and required by federal law governing securities. This Modification will not secure any other debt if Lender, with respect to that other debt, fails to fulfill any necessary requirements or fails to conform to any limitations of the Real Estate Settlement Procedures Act (Regulation X) that are required for loans secured by the Property.

(d) Sums Advanced. All sums advanced and expenses incurred by Lender under the terms of this Security Instrument.
