THIS FIRST AMENDED DECLARATION made on this 16TH day of NOVEMBER, 1993, by Ralph H. Knode, Jr. and Judith O. Knode, owners of Lots 1, 2, 3, 4 and 5, and by Danielle H. Reel and Claude Hayn as co-trustees of the Eliane Hayn Revocable Trust, owners of Lot 6 (the "Declarants"), fee owners of the real property subdivision located in Sheridan County, Wyoming, more particularly described as "Lot 1, Block 1, Phase 1 of the Knode Ranch Subdivision and resubdivided as the "Knode Ranch Subdivision, 4th Addition" and recorded in Drawer K of Plats, No. 18 in the Land Records of the County Clerk of Sheridan County, Wyoming (the "Subdivision"), provides the following declarations as to limitations, restrictions, and uses to which the lots or tracts constituting such Subdivision may be put, and specifies that such declarations shall constitute covenants to run with all the land, as provided by law, and shall be binding on all parties and all persons claiming under them, and for the benefit of and limitations on all future owners in such Subdivision, this declaration of restrictions being designed for the purpose of keeping the Subdivision desirable, uniform, and suitable in architectural design and use as specified herein, and this declaration shall supercede all prior versions of declarations for the Subdivision:

A. All lots and common areas of the Subdivision shall be subject to all the covenants, restrictions, easements, conditions, and remedies as set forth in the Protective Covenants for the Knode Ranch Subdivision, of which it is a part, recorded October 24, 1990 in Book 337, Pages 358 through 364, as Number 67964, in the office of the County Clerk of Sheridan County, Wyoming.

B. The following further covenants, restrictions, easements and/or conditions are hereby imposed and adopted:

1. Ownership of property: Each duplex single-unit owner in Subdivision is a tenant in common of an equal share of the "common

area" of the Subdivision. The common area of the Subdivision shall consist of all areas within the above-described Subdivision, excluding the individually-owned property owned in fee by each of the six (6) duplex single-unit owners. An individual's fee ownership of a duplex single-unit, which includes a one-sixth equal share as a tenant in common of the common area of the Subdivision, are inseparable. Neither interest in land may be conveyed, encumbered, restricted, nor otherwise separated from or without the other.

- c. Mowing and upkeep of the native landscaping.
- d. Grading and leveling of the common driveway.

3. Water System Maintenance: Each duplex single-unit owner is responsible for maintenance of the water system of the Subdivision from the individual curb-stop to the duplex single-unit. Damage to the water system caused by an individual duplex single-unit owner shall be repaired at the cost of the individual responsible, and the cost in such instance shall not be shared pro rata. A "curb-stop" is where the distribution line connects with a private water line.

However, a 30 foot access easement shall also exist on the plat of the Subdivision so that the driveway can be connected, at its eastern end, to Knode Road some time in the future. Such connection shall be constructed only if approved in advance by a unanimous vote of the owners of the duplex single-units, each such unit having one vote, and such connection shall be constructed at the shared cost of the duplex single-unit owners.

7. Limitations upon keeping dogs and cats: Residents of each Lot within the Subdivision shall be allowed to keep and maintain at the residence on their Lot no more than: two (2) dogs, or two (2) cats, or one (1) dog and one (1) cat.

Each owner of a duplex single-unit is a member of the Duplex Subcommittee, for a total of six (6) members, and each member shall have one (1) vote. Votes on all matters shall be decided on the basis of majority rule. One member of the Duplex Subcommittee shall be elected Chairman for a term of one year. No chairman may serve two consecutive terms.

2. Authority of Subcommittee: The Duplex Subcommittee shall have the authority to hold meetings, to adopt new rules and regulations when necessary to meet unknown future care and maintenance requirements of, or enforcement methods for, the Subdivision, and to impose assessments on Subdivision duplex single-unit owners in accordance with Paragraph B, subparagraphs 2,

3, 4 and 5, and as provided in Paragraph C, subparagraphs 3 and 4. The Duplex Subcommittee shall implement and enforce Paragraph B, subparagraphs 2, 3, 4 and 5 and Paragraph C, subparagraphs 1, 2, 3 and 4 of these covenants. The Duplex Subcommittee Chairman shall keep minutes of each meeting of the Subcommittee, and shall keep and maintain records of all meetings, votes, invoices or bills, assessments, and enforcement actions. The Duplex Subcommittee shall have the authority to open a Subcommittee account at a bank or savings and loan for the purposes of keeping moneys and making payments required to implement or enforce these covenants. Such account shall be administered by the Chairman.

3. Assessments: The Duplex Subcommittee shall select the date on which each assessment shall become effective. All assessment payments are due to the Subcommittee before thirty (30) days after the effective date of the assessment. If any assessment is not paid to the Subcommittee before thirty (30) days after the effective date of the assessment, then the unpaid assessment shall accrue interest at the rate of ten (10) percent per annum from the effective date of the assessment. All assessments made in furtherance of Paragraph B, subparagraphs 2, 3, 4, and 5 and Paragraph C, subparagraphs 2, 3 and 4 of these covenants, including accrued interest, litigation costs and attorneys' fees, shall constitute an automatic lien on the non-paying duplex single-unit owner's title if such assessment payment is not made before thirty (30) days after the effective date of the assessment. The Duplex Subcommittee shall have the authority to file a Notice of Lien in the records of the Sheridan County Clerk to accomplish the purpose of this paragraph.

4. Legal Enforcement: The Duplex Subcommittee may legally enforce these covenants in accordance with the laws of the State of Wyoming. All costs of litigation, including attorneys' fees, associated with the enforcement of these covenants shall be assessed to the party or parties against whom the enforcement action was taken, and shall become an automatic lien upon the

property if not paid before thirty (30) days after the effective date of the assessment of such costs or fees.
