7. Plan of Ownership. Declarant establishes herein a plan for the individual ownership of the estates consisting of the area or space contained in each of the individual Condo Units and the co-ownership and shared use by the individual and separate owners, as tenants in common, of all the remaining real property defined and referred to as the General Common Areas, as set forth herein, the Condo Plat and in the Bylaws of the Association.

For the purpose of this Declaration, the ownership of each individual Unit space shall include the respective owner's undivided interest in the General Common Areas specified and established in this instrument, and each space together with the undivided interest is defined as a "Unit."

The owners of the respective individual "Units" shall be deemed to own the interior airspace of the condo, from the interior facing of the exterior walls contained within their respective Unit spaces, and also shall be deemed to own the inner surfaces of the perimeter sheet-rocked walls, flooring, and ceiling finish attached to the bottom of the roof system (bottom of joists), including sheetrock, plaster, paint, flooring and the like. Also all OHD Door operators, lighting fixtures, plumbing fixtures, and heating fixtures will be unit owners' property. The Association shall have the power to impose and enforce liens against each Unit for unpaid assessments.

All Units shall be equally assessed.

The initial assessment to be imposed upon Owners for taxes, insurance, maintenance and repairs for the General Common Area is not yet set but the budget is anticipated to require a per-Unit assessment of approximately \$1,400.00 per year per Unit for the first year until actual costs are confirmed, or in such other amount as the Association deems necessary thereafter to pay common area charges, which will include but not be limited to: maintenance and care used by the Units, respectively, and for all Units for snow removal, insurance, general maintenance/repairs/reserves, and the other costs for the General Common Area. The monthly assessment to be imposed upon the Owners of each Unit shall commence after the first Unit has been sold.

No owner of a Unit may exempt such owner from liability for contribution toward the common expenses by waiver of the use or enjoyment of any of the common areas and facilities or by the abandonment of the Unit.

13. Assessment Liens. All sums assessed by the Association but unpaid for the common expenses chargeable to any Unit shall constitute a lien on such Unit prior to all other liens except only: (i) tax liens on the Unit in favor of any assessing Unit and special district; and (ii) all sums unpaid on the first mortgage of record, to which this lien right is subordinated. Such lien may be foreclosed by suit by the Directors of the Association, acting on behalf of the owners of the Units, in like manner as a mortgagee of real property. The plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect rent, if any. The officers, acting on behalf of the owners of the Units, shall have power to bid in the Unit at foreclosure sale, and to acquire and hold, lease, mortgage, and convey the Unit. Suit to recover a money Judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the lien securing the unpaid expenses. The defending Unit owner shall be liable for and pay all of the Association's attorney fees and costs.

14. Assessments; Liability of Mortgagee. Where the mortgagee of a first mortgage of record or other purchaser of a Unit obtains a title to the Unit as a result of foreclosure of the first mortgage, such acquirer of title, and successors and assigns, shall not be liable for the share of the common expenses or assessments by the Association chargeable to such Unit that became due prior to the acquisition of the Unit by the acquirer.

Such unpaid share of common expenses or assessments shall be deemed to be common expenses collectible from owners of all of the Units, including the acquirer, and successors and assigns.

15. Assessments; Liability of Subsequent Grantee. In a voluntary conveyance of a Unit, grantee of the Unit shall be jointly and severally liable for all unpaid assessments by the Association against the Unit for the Unit's share of the common expenses up to the time of the grant or conveyance. Any such Grantee shall be entitled to a statement from the officers of the Association, setting forth the amount of the unpaid assessments against the Unit to the Association.

16. Association Property Insurance. The Association shall obtain and continue in effect property insurance on all General Common Areas in forms and amounts (1) satisfactory to mortgagees holding first mortgages covering Units but without prejudice to the right of the owner of a Unit to obtain individual Unit insurance, or (2) in such amounts and in such forms as required by the Association, or (3) the maximum insurable amount pursuant to the company affording the coverage. Insurance premiums for any common area insurance coverage shall be a common expense to be paid by assessments levied by the Association, and such payments shall be held in a reserve fund of the Association and used solely for the payment of the blanket property insurance premiums as such premiums become due.

17. Unit Owner Property Insurance. Each Unit owner shall be responsible to insure, to full replacement cost value, such Unit owner's interest in the Unit within the Unit boundaries, as described above, and all such personal property, fixtures, equipment, tools, vehicles and all other items of personal property located within such unit owner's Unit (including inventory in a Commercial Unit), against all risk of loss or damage.
