

**DECLARATION OF PROTECTIVE COVENANTS,
FOR THE PATIO HOMES AT WOODLAND PARK**

THIS DECLARATION OF PROTECTIVE COVENANTS, (this "Declaration") is made this 30th day of JANUARY, 2012 by the Patio Homes at Woodland Park LLC, a Wyoming Limited Liability Company (hereinafter referred to as "Declarant").

RECITALS

A. Declarant is the owner of that real property (the "property") described in Exhibits of this Declaration, which is a subdivision known as the "Patio Homes at Woodland Park" formerly known as "Tract 2 of Woodland Park Subdivision". The Patio Homes at Woodland Park are Lots 1-36 and are situated upon property described in the plat which was recorded in the office of the Sheridan County Clerk on 9-23-2011, in Book P of Plats at Page 95, herein referred to as "the plat". Hereinafter such individual dwelling units are to be called "residential units". It is contemplated that each of the residential units will be sold to individual purchasers (the "residential owners") and that part of the property (the "common areas") being the property described and shown as outlots A, B, C, D, E, and F on the plat referred to above shall be held subject to the provisions of this Declaration and eventually conveyed to an entity formed and to be conducted as hereinafter described as the "Association", for the benefit of the residential owners. All reference to the common areas herein contained shall be deemed to refer to common areas of said plat and all references to residential lots herein contained shall be deemed as excluding said common areas.

B. Declarant has platted the Patio home lots and desires to cause to be constructed on the property Patio homes to be built for efficiency and freedom from maintenance of exterior surfaces of the structures, and provide seasonal care for grounds and walks. Declarant desires to assist favorable residential living and recreation, and proposes to establish and implement plans for residential living and recreation. Declarant desires to impose these restrictions on the subject property, yet retain reasonable flexibility to respond to changing or unforeseen circumstances so as to control and maintain the quality and standards of the Patio Homes at Woodland Park as administered by the Homeowners' Association.

C. Declarant is adopting this Declaration for the benefit of all owners of lots in the Patio Homes at Woodland Park LLC, such that lots may be held, transferred and used only in a manner consistent with this Declaration, which shall run with the land and be binding with all parties having any right, title and interest in the property, and their successors and assigns.

COVENANTS

NOW, THEREFORE, Declarant hereby declares that the real property is and shall be held, transferred and occupied subject to the covenants, conditions, restrictions, easements and liens (collectively the "Covenants") set forth in this instrument.

ARTICLE I **DEFINITIONS**

1.01. The following words and terms, when used in these Covenants, shall have the following meanings:

- **Association** shall mean and refer to the Patio Homes at Woodland Park Homeowners' Association, its successors, and assigns. Members of the Association shall be owners of lot(s) within the subdivision.
- **Architectural Review Committee** shall mean and refer to the Architectural Review Committee and its members.
- **Common Area** shall mean and refer to all real property within the property owned or controlled by the Association for the common use and enjoyment of the owners. City right of ways throughout the subdivision shall also be maintained by the Association if not done so by the City. Common area shall also include the Roads and Easements, as defined herein, except to the extent such roads and easements are dedicated to and accepted for maintenance by the City of Sheridan, Wyoming, or other public maintenance entity.
- **Common Expenses** shall mean and refer to maintenance, insurance, taxes, repairs, operations, management and administration expenses, legal and accounting expenses, management fees and other expenses declared by the provision of the Covenants Declaration or by the By-Laws of the Association to be common expenses or assessable against owners of the lots, and all sums lawfully assessed to maintain, administer, and operate the common area by the Association.
- **Declarant** shall refer to the Patio Homes at Woodland Park, LLC, which is the owner and developer of the Patio Homes at Woodland Park.
- **Dwelling** shall mean any building or unit located on a lot intended for shelter and housing.

- **Dwelling Accessory Building** shall mean a subordinate building, or a portion of a dwelling, the use of which is incidental to the dwelling and customary in connection to that use.
- **Exhibit** shall mean an attachment to either the covenants or development and building standards and incorporated therein.
- **Homeowners' Association or Association** shall mean all of the members designated in accordance with the covenants, The Homeowners' Association's board, called the "board", shall operate the Homeowners' Association.
- **Living Area** shall mean that portion of a dwelling which is enclosed and customarily used for dwelling purposes and having not less than six feet (6') of headroom, but shall not include open porches, open terraces, breezeways, attached garages, carports or dwelling accessory buildings. It shall include those areas of the building which are no more than three and one half feet (3 ½') below the exterior grade, and considered as living area by the City of Sheridan Engineering Department.
- **Lot** shall mean a lot of land described by lot number on any of the Patio Homes at Woodland Park plat of the property, together with any improvements thereon.
- **Maintenance** shall mean exercise of reasonable care of buildings, roads, landscaping, lighting and other related improvements and fixtures in a condition comparable to their original developed condition, normal wear and tear excepted.
- **Maintenance of Landscaping** shall mean the exercise of generally accepted lawn and garden management practices necessary to promote a healthy, weed-free environment for optimum plant growth.
- **A Manufactured Home** shall mean a residential structure built in a factory setting, constructed under the guidelines of the HUD code. The HUD code is a performance code, that is, the code requires the structure to perform to a specific specification.
 1. A HUD code manufactured home will have a red HUD seal attached (small rectangle) to the left lower corner of the front of the home (opposite the transport hitch end). Both halves of a double section home will have the seal.
 2. HUD code homes are built on a massive steel support frame. Four (4) huge steel I-beams (under a double section) with cross members and outriggers. A manufactured home is designed to be fully supported by the steel frame on a foundation approved by the manufacturer.

- **Modular Homes** shall mean homes built to the building code of the State in which the home is to be sited. Modular homes are sometimes referred to by their code, example "Boca" or "UBC". Modular homes may look exactly like their sibling manufactured home, or they may look entirely different. Some modular homes are indistinguishable from elaborate site built homes. Modular homes can be built on a manufactured home type steel frame or transported to the building site on a steel carrier, then lifted off the steel and moved onto the concrete and site-installed foundation. Modular homes are typically more expensive than a manufactured home, and thus appraise higher.
- **Owner** shall mean owner(s) of record, whether one or more person(s), of the fee simple title to, or the contract purchaser of any lot situated upon the properties, but shall not mean or refer to any holder of debt or mortgage unless such holder has acquired title pursuant to foreclosure or any proceeding in lieu of foreclosure.

In any event HUD standards shall determine the definition of family and the subdivision shall comply with HUD regulations. The subdivision shall not define the family unit.
- **Special Improvement District** shall mean the Special Improvement District (SID), as recognized by Sheridan County and the State of Wyoming referring to the Patio Homes at Woodland Park in the Woodland Hills Special Improvement District.

As of the time of this Declaration, there are no assessments on SIDs (Special Improvement Assessments). This SID exists solely for the purposes of the protection of the Patio Homes at Woodland Park and the owners in the subdivision. It is possible that the Association could apply to the district to be assessed for road or other public improvements in the event the City would not supply those improvements in a timely fashion. It is believed this will be unnecessary, but the system is in place for an extremely rare possibility.

- **Story** shall mean that portion of building including between the surfaces of any floor and the surface of the floor next to, above, or if there is no floor above, the space between the floor and the ceiling next above.

- **Structure** shall mean any building or other improvement erected or constructed, the use of which requires more or less permanent location on or in the ground, or attached to something having a permanent location on or in the ground.

4.05. Contracts with Owners. The board, on behalf of the Homeowners' Association, shall have full power and authority to contract with any owner (including, without limitation, Declarant) on behalf of the Association or services which the board is otherwise required to perform pursuant to the terms hereof. 4.06. Reserve Funds. The board may, in its sole and absolute discretion, establish reserve funds, which may be maintained and accounted for separately from other funds maintained for annual operating expenses, and may establish separate, irrevocable trust accounts in order to better demonstrate the amounts deposited are capital contributions and not net income to the Association.

ARTICLE V
ASSESSMENTS

- 5.01. Assessment of Funds.** The Association shall obtain such funds as it shall require by assessment upon the owners of all the residential units , the original construction of which shall have been complete. The amount of such assessments shall be determined not less frequently than annually by the Board of Directors of the Association who shall notify the homeowners of the imposition thereof or of any change in the amount thereof as the case may be, not less than thirty (30) days before such action shall become effective. In the event of disagreement by the homeowners, an analysis of the funds may be audited by a professional accounting firm and projected for replacement of future capital repairs and continued maintenance of all the residential units and common areas. The professional projection by the accounting firm shall be the final determination of the amount of assessment required for continued operation of the Association and future homeowner exterior repairs and replacements. It is the goal to collect only the necessary amount of funds to cover seasonal maintenance and exterior repair and replacement of exterior elements. Full fees shall be charged when the residential unit is fully finished and/or occupied. A pro rata charge may be assessed for cleanup or snow removal during construction.
- 5.02. Personal Obligation of Assessments.** Each owner of a lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed, as a part of the purchase money consideration for such deed and conveyance, to covenant and agree to pay to the Homeowners' Association the assessments authorized by the Declaration. These funds will become the property of the Homeowners' Association, and the homeowner understands that upon a sale of their property, they relinquish all rights in the maintenance and reserve funds to the Homeowners' Association for the future benefit of their buyer and other owners.
- 5.03. Interest.** If any assessment remains unpaid thirty (30) days after the due date, the unpaid amount shall accrue interest at the rate of eighteen percent (18%) per annum.
- 5.04. Creation of Lien.** Any unpaid assessments shall constitute a lien against each lot to secure the payment of all assessments levied pursuant to this Declaration, and expenses incurred in connection with the enforcement of the lien, including interest, costs and reasonable attorney fees. Each lien may be enforced by appropriate judicial proceedings, and the amounts secured by the lien shall be the obligation of the owner.

ARTICLE VI

INSURANCE, REPAIR AND RESTORATION

- 6.01. Right to Purchase Insurance.** The Homeowners' Association shall have the right and option to purchase, carry and maintain in force insurance covering any or all portions of the common areas, any other improvements thereon or appurtenant thereto, for the interest of the Association and of all members thereof, in such amounts and with such endorsements and coverage as shall be considered good, sound insurance coverage for properties similar in construction, location and use of the subject property. Insurance may include, but need not be limited to:
- a) Insurance against loss or damage by fire and hazards covered by a standard extended coverage endorsement in an amount which shall be equal to the maximum insurable replacement value, excluding foundation and excavation costs as determined annually by the insurance carrier;
 - b) Public liability and property damage insurance on a broad form basis;
 - c) Fidelity bond for all officers and employees of the Association having control over the receipt or disbursement of funds; and
 - d) Officers' and director's liability insurance.
- 6.02. Insurance Proceeds.** The Association and the members shall use the net insurance proceeds to repair and replace any damage or destruction of property, real or personal, covered by such insurance. Any balance from the proceeds of insurance paid to the Association as required in this Article VII remaining after satisfactory completion of repair and replacement, shall be retained by the Association as part of a general reserve fund for repair and replacement of the common areas or improvements thereon.
- 6.03. Insufficient Proceeds.** If the insurance proceeds are insufficient to repair or replace any loss or damage, the Association may levy a special assessment as provided for in Article VI of this Declaration to cover the deficiency.
- 6.04. Casualty and Insurance.** In the event the property, or any part thereof or any of the residential units there, shall be damaged or destroyed by fire, other casualty or any other cause or event whatsoever, the owners of the property so damaged or destroyed shall cause it to be repaired, restored or rebuilt, as the case may be as rapidly as reasonably possible to the condition in which such property was immediately prior to such damage or destruction subject only to the right of the Association. Each residential owner shall maintain in force at all times insurance covering the residential unit owned by that owner, consisting of or providing all the protection afforded by at least the insurance now generally described as fire, extended coverage, additional extended coverage, vandalism

and malicious mischief to one hundred percent (100%) of the full insurance value thereof with loss payable on the basis of the cost of replacement without deduction for depreciation. Each residential owner shall also maintain in force such insurance protecting the Association from loss, damage, express or liability resulting directly or indirectly from any act or omission of such residential owner or any employer, agent, representative, guest or invitee of such residential owner as the Association shall by rule or regulation require from time to time, provided however, that no such rule or regulation shall require the obtaining of any insurance of any type not then issued by responsible insurance companies regularly doing business in the state of Wyoming. A homeowner is to look to their own insurer for hazards to the exterior and roof. Damages that occur prior to the end of the expected useful life of the siding and roof shingles should be covered by hazard insurance, rather than the Association. The Association will replace those items at the end of their projected lifespan.

- 6.05. Homeowners' Insurance.** All insurance required to be maintained by any residential owner shall be issued by companies authorized to issue such policies in the State of Wyoming, shall name the Association as an additional insured, and shall provide that all proceeds becoming payable on account of loss or damage to such residential unit shall be payable to or as directed by the Association, subject only to the rights, limited as herein provided, of any mortgagee for value of the premises. The policies themselves or appropriate certificate showing the evidence of such insurance shall be furnished to the Association, and new policy or certificate evidencing the renewal of each expiring policy of insurance shall be furnished to the Association in each case at least ten (10) days prior to the expiration date of the expiring insurance.
- 6.06. Insurance Liability.** The Association and its officers, directors, employees, agents and representatives shall have no liability to any residential owner for damage or loss of either the residential unit of such owner or any personal property of said owner. Each insurer of any said residential owner's interest in said residential unit or personal property shall be bound by the provisions of these paragraphs and shall by appropriate provision in each policy of insurance concerned, waive all its rights or subrogation against the Association and any agent or representative of its officers, directors and employees.
- 6.07. Non-Payment of Property and Casualty Insurance.** If the homeowner fails to maintain insurance as described, the Association shall have the right (but shall not be required) to proceed to obtain such insurance or such lesser coverage as it may deem advisable for the protection of the adjoining unit and surrounding property as a possessor of an insurable interest, and the cost due from the owner of the residential unit so insured shall be paid to the Association upon demand.

- 6.08. **Contractors.** Without limitation, the Association is hereby given and shall have power to select or approve the architects, contractors and sub-contractors to be employed in connection with any Association repair, restoration or rebuilding; to select a single contractor or contractors to perform all various parts of the work or maintenance to the residential units and grounds, and to hold the proceeds of any insurance which may be payable on account of such casualty or other happening, and to control the disbursement thereof in such manner as to assure the sufficiency of funds for the completion of said work or for any other proper purpose.
- 6.09. **Reconstruction of Common Area.** Reconstruction by the Homeowners' Association or the Declarant after destruction by casualty or otherwise of any common areas or improvements, must be in substantial compliance with "as built:" plans for such common areas and shall not require compliance with the provisions of the Development Standards.
- 6.10. **Association's Reserved Easement and Access.** Each residential unit is hereby declared to be subject to an easement and right to and in favor of the Association and each and all of its employees, agents and instrumentalities to go upon such residential unit for reasonable inspection, after reasonable notice thereof from time to time for the purpose of carrying out any and all of the obligations and functions with respect to such residential unit or for the benefit of any other residential unit or units, as are herein imposed upon or permitted to the Association, expressly including, without limitation, installation of improvements, the maintenance, repair and replacement of any and all of the facilities of the supply of utilities and other facilities, apparatus and equipment serving said residential unit and or other residential units or the common areas. The Association shall have an easement of ingress and egress over and upon all units including but not limited to the roof, yard, and patio areas there for the purpose of construction, installation, repair, maintenance, replacement and inspection, of all facilities including, but not limited to exterior home elements, television antennae, transformers and water or utility meters, irrigation lines, fencing etc., for the benefit of homeowners, the developer, or the Association. In an emergency, when the homeowner is absent and such emergency affects the secondary unit, this easement may extend to the interior elements of the dwelling.
- 6.11. **Violation of Law or Insurance.** No owner or member shall permit anything to be done or kept on his lot or in or upon any common areas which will result in the cancellation of insurance thereon or which would be in violation of any law or these standards.

ARTICLE VII

MAINTENANCE

- 7.01. **Maintenance and Repair of Dwelling Exteriors.** The Association shall determine the need for and carry out or cause to be performed all maintenance of the exterior of the residential units, including without limitations, painting, staining and tuck pointing thereof at such intervals as shall be prudent, as well as the maintenance, repair and replacement of roof of the residential units. Said repairs shall exclude windows, doors, garage doors and any and all repairs covered by homeowner's insurance. Window cleaning and replacement and all interior elements shall be the responsibility of the homeowner.
- 7.02. **Lawn, Sidewalk, and Driveway Maintenance.** The Homeowners' Association shall also perform all maintenance of landscaping, provide for all lawn mowing, snow removal from sidewalks and driveways, and perform all improvement and repair of the grounds and landscaping of the residential units situated outside the exterior walls thereof.
- 7.03. **Common Irrigation-Water Line.** The Developers and Homeowners' Association shall at their sole discretion reserve easement upon and access to lots for the installation and maintenance of a common irrigation-water line in the event the Homeowners' Association or Declarant elects to install said common irrigation line. Currently, the plan is for each individual homeowner to tie onto their individual service line for their own sprinkler system.

ARTICLE VIII
