

SANITARY SEWER EASEMENT

Country Club Estates LLC, a Wyoming limited liability company, ("Grantor"), for and in consideration of the sum of Thirty Five Thousand and NO/100 Dollars (\$35,000.00) and other good and valuable consideration the receipt of which is hereby acknowledged, does hereby grant a sanitary sewer easement across that Twenty Foot (20') wide strip of land more specifically described on **Exhibit "A"** and shown on **Exhibit "B"**, both of which are attached hereto and incorporated herein (herein the "Easement Route"), as follows:

Grant of Easement For Benefit of Dominant Parcels. Intent and Purpose of Easement. Grantor's intent and purpose by this grant is to provide the non-exclusive right of access over and across the Easement Route for access to, and the installation, maintenance, repair and replacement, of municipal sewer line and related underground appurtenances to and for the benefit of connecting Blocks 4 and 5 of Sheridan Links P.U.D. to Long Drive.

Neither Grantor, nor its successors, shall bear any responsibility or liability to any person or entity using the Easement Route by reason of this easement. None of the costs associated with the installation, maintenance or repair of any sewer within the Easement Route shall be borne by Grantor. This easement shall run with the land.

Provided Further, in the event the City of Sheridan wishes to locate a pedestrian walking path over and across the Easement Route to connect Long Drive to Sheridan Links PUD, Grantor agrees to sell a pathway easement at a fair market value determined by Grantor so long as Grantor shall not be required to pay any portion of the cost of such pathway and Grantor has no liability for any users thereof.
