COUNTY OF SHERIDAN)

**DECLARATION OF PROTECTIVE COVENANTS,
FOR THE WOODLAND PARK SUBDIVISION**

THIS DECLARATION OF PROTECTIVE COVENANTS, (this "Declaration") is made this 16th day of October, 2008, by the Woodland Park LLC, a Wyoming Limited Liability Company (hereinafter referred to as "Declarant").

RECITALS

A. Declarant is the owner of that real property (the "Property") described in Exhibits of this Declaration, which is a subdivision known as "Woodland Park Subdivision".

B. Declarant desires to assist favorable residential living and recreation, while preserving the highly attractive topographical features of the subject property and proposes to establish and implement plans for residential living and recreation. In view of the unusual and uncommon features of the property, Declarant desires to impose these restrictions on the subject property, yet retain reasonable flexibility to respond to changing or unforeseen circumstances so as to control and maintain the quality and standards of the Woodland Park Subdivision as administered by the Homeowner's Association.

C. Declarant is adopting this Declaration for the benefit of all Owners of Lots in Woodland Park LLC, such that Lots may be held, transferred and used only in a manner consistent with this Declaration, which shall run with the land and be binding with all parties having any right, title and interest in the property, and their successors and assigns.

COVENANTS

NOW, THEREFORE, Declarant hereby declares that the real property and such subdivision additions thereto as may hereafter be made, is and shall be held, transferred and occupied subject to the covenants, conditions, restrictions, easements and liens (collectively the covenants) set forth in this instrument.

ARTICLE I
DEFINITIONS

1.01 The following words when used in these Covenants shall have the following meanings:

- **Association** shall mean and refer to the Woodland Park Homeowner's Association, its successors, and assigns. Members of the Association shall be owners of Lot (s) within the subdivision.
- **Architectural Review Committee** shall mean and refer to the Architectural Review Committee, and its members.
- **Common Area** shall mean and refer to all real property within the property owned or controlled by the Association for the common use and enjoyment of the owners. Common Area shall also include the Roads and Easements, as defined herein, except to the extent such roads and easements are dedicated to and accepted for maintenance by the City of Sheridan, Wyoming, or other public maintenance entity.
- **Common Expenses** shall mean and refer to maintenance, insurance, taxes, repair, operations, management and administration expenses, legal and accounting expenses, management fees and other expenses declared by the provision of the Covenant Declaration or by the Bylaws of the Association to be common expenses or assessable against Owners of the lots, and all sums lawfully assessed to maintain, administer, and operate the common area by the association. The subdivision was designed to have minimal common areas since the school park is nearby and also the walking trail. It is the goal of the Declarant that fees should be kept to an absolute minimum, as all common elements were dedicated or given to the City of Sheridan for the public and public maintenance. In the early days of the subdivision, there will be a small monthly assessment to insure adequate snow removal, weed control, needed common items etc. It is the goal of the association to make the homeowners association self funding.
- **Declarant** refers to Woodland Park Subdivision, LLC, which is the owner and developer of Woodland Park Subdivision.
- **Dwelling** shall mean any building or unit located on a lot intended for shelter and housing.
- **Dwelling Accessory Building** shall mean a subordinate building or a portion of a dwelling, the use of which is incidental to the dwelling and customary in connection to that use.
- **Exhibit** - an attachment to either the covenants or design standards and

incorporated therein.

- **Homeowner's Association or Association** means all of the members designated in accordance with the covenants. The Homeowner's Association board, called the "board", shall operate the Homeowner's Association.
- **Living Area** shall mean that portion of a dwelling which is enclosed and customarily used for dwelling purposes and having not less than six feet (6') of headroom, but shall not include open porches, open terraces, breezeways, attached garages, carports or dwelling accessory buildings. It shall include those areas of the building, which are no more than 3½ feet below the exterior grade and considered as living area by the City of Sheridan Engineering Department.
- **Lot** shall mean lot of land described by a block and lot number on any Woodland Park Subdivision Map of the property, together with any improvements thereon.
- **Maintenance** shall mean exercise of reasonable care of buildings, roads, landscaping, lighting, and other related improvements and fixtures in a condition comparable to their original developed condition, normal wear and tear accepted.
- **Maintenance of Landscaping** shall mean the exercise of generally accepted lawn and garden management practices necessary to promote a healthy weed-free environment for optimum plant growth.
- **A Manufactured Home** shall mean a residential structure built in a factory setting, constructed under the guidelines of the HUD Code. The HUD Code is a performance code, that is, the code requires the structure to perform to a specific specification. Manufactured homes will not be allowed in the subdivision.
 - A HUD code Manufactured home will have a red HUD Seal attached (small rectangle) to the left lower corner of the front of the home (opposite the transport hitch end). Both halves of a double section home will have the seal.
 - HUD code homes are built on a massive steel support frame. 4 huge steel I-beams (under a double section) with cross members and outriggers. A manufactured home is designed to be fully supported by the steel frame on a foundation approved by the manufacturer.
- **Modular Homes** shall mean homes built to the building code of the State in which the home is to be sited. Modular homes are sometimes referred to by their code, example "Boca" OR "UBC". Modular homes may look exactly like their sibling manufactured home, or they may look entirely different. Some modular homes are indistinguishable from elaborate site built homes. Modular homes can be built on a

manufactured home type steel frame or transported to the building site on a steel carrier, then lifted off the steel, and moved into the concrete and site installed steel foundation. Modular homes are typically more expensive than a manufactured home, and thus appraise higher. Only modular homes, component homes and site built homes will be allowed in the subdivision. No manufactured homes will be allowed.

- **Owner** shall mean record owner(s) whether one or more person(s) of the fee simply title to, or the contract purchaser of any lot situated upon the Properties, but shall not mean or refer to any holder of debt or mortgage unless such holder has acquired title pursuant to foreclosure or any proceeding in lieu of foreclosure.
- **Park Contribution** - Since there are adjacent parks and trails, the Developer chose not to include another park that the residents would have to care for and insure against tort liability. However, there will be a \$500.00 City charged fee with every building permit issued to the lot owner in lieu of park contribution. This amount has been deducted already in the asking sales price to the lot buyer. This is a one-time fee that is paid by the lot owner to the City of Sheridan, when building the original home on the lot and at the time of the building permit.
- **Property** - shall mean and refer to the lands platted under the Woodland Park, LLC.
- **Roads and Easements** shall mean and refer to all roads, streets and easements shown on the recorded plat of the Woodland Park Subdivision.
- **Single-family** shall mean one or more persons each related to the other by blood, marriage or adoption, or a group maintaining a common household in a dwelling. In any event HUD standards shall determine the definition of family and the subdivision shall comply with HUD regulations. The subdivision shall not define the family unit.
- **Special Improvement District**- Woodland Park Subdivision is in the Woodland Hills Special Improvement District, as recognized by Sheridan County and the State of Wyoming. As of the time of this Declaration, there are no assessments or SID's (Special Improvement Assessments). This SID exists solely for the purposes of the protection of Woodland Park Subdivision and the owners in the Subdivision. In the event that a homeowner(s) allows their property to become in serious neglect or abandonment, disrepair or non compliance with any covenants or design standards, the SID (Special Improvement District Board) may collect repair and/or maintenance charges which will be turned in to the Sheridan County Assessor and/or Treasurer for collection against Sheridan County Real Estate taxes for collection and become a lien against the property until paid.

- **Story** shall mean that portion of building including between the surfaces of any floor and the surface of the floor next to above, or if there is no floor above the space between the floor and the ceiling next above.
- **Structure** shall mean any building or other improvement erected or constructed, the use of which requires more or less permanent location on or in the ground, or attached.

4.05 Reserve Funds. The Board may, in its sole and absolute discretion, establish reserve funds, which may be maintained and accounted for separately from other funds maintained for annual operating expenses and may establish separate, irrevocable trust accounts in order to better demonstrate the amounts deposited are capital contributions and not net income to the Association.

6.02 Interest. If any assessment remains unpaid 30 (thirty) days after the due date, the unpaid amount shall accrue interest at the rate of eighteen percent (18%) per annum.

6.03 Creation of Lien. Any unpaid assessments shall constitute a lien against each Lot to secure the payment of all assessments levied pursuant to this Declaration, and expenses incurred in connection with the enforcement of the lien, including interest, costs and reasonable attorneys' fees. Each lien may be enforced by appropriate judicial proceedings, and the amounts secured by the lien shall be the obligation of the Owner.

The Homeowner's Association shall have the right and option to purchase, carry and maintain in force insurance covering any or all portions of the Common Areas, any other improvements thereon or appurtenant thereto, for the interest of the Association and of all Members thereof, in such amounts and with such endorsements and coverage as shall be considered good, sound insurance coverage for properties similar in construction, location and use to the subject property. ARTICLE VIII USE OF COMMON AREAS

The Open Areas owned by the Homeowner's Association and City rights of way through the subdivision may be used and enjoyed as follows:
